# NOSEFRIDA

The Original Nasal Aspirator

**ONLY A  
DOCTOR  
COULD  
INVENT  
SOMETHING  
THIS GROSS.**

# BORN FROM DOCTORS, BUILT FOR FAMILIES

You might know of us by our NoseFrida, the original, doctor-invented Nasal Aspirator, but We now have over 50 products in our portfolio to help your patients tackle their day-to-day parenting challenges.

## MEET A DOCTOR'S MOST RELIABLE SIDEKICKS.

### NOSEFRIDA

NoseFrida is the doctor-invented, all-natural nasal aspirator that uses parents' own suction to suck out snot and hygiene filters to prevent germ transfer.

### MEDIFRIDA

MediFrida delivers a full dose through a soft paci that bypasses baby's taste buds so parents can deliver meds without the mess.

### WINDI

Windi, the doctor-invented, all-natural solution helps baby free stubborn farts for instant gas + colic relief.

### FLAKEFIXER

FlakeFixer is the dermatologist-recommended, 3-step sponge, brush and comb system that kicks cradle cap to the curb.

### SMILEFRIDA

Finger Toothbrush is the only double-sided, triple-angle brush that cleans all sides of baby's teeth at once while gently massaging gums to relieve teething woes.

### RECTAL THERM

The Quick-Read Rectal Thermometer gives fast and accurate rectal temperature readings in just 10 seconds. Safe, flexible tip and stopper make it parent-proof.
