ENHANCE YOUR TRAINING PROGRAM WITH AAP MEMBERSHIP!

For the sharply discounted rate of only \$140 per trainee, you will...

Help your Trainees Advance their Careers through Scholarly Pursuits and Advocacy by:

- Attending the AAP Legislative Conference - *trainee member discount available!*
- Presenting research/abstracts at the annual National Conference & Exhibition
- Writing newsletter articles, or product content
- Advocating for children and making a difference through the Federal Advocacy Action Network (FAAN)
- Networking with other pediatric fellowship trainees and getting involved in the annual advocacy campaign through the Section on Pediatric Trainees (SOPT)

Guarantee Trainees Continue to Enhance and Maintain their Education through:

- Access to PREP® Subspecialty online self-assessment - *a \$269 value!*
- EQIPP quality improvement courses that deliver everything needed to identify and close practice gaps and help meet QI requirements
- Implementing, managing, and evaluating scholarly activities, ILPs, quality improvement projects, and written evaluations on PediaLink®
- Staying current with trusted resources such as: *Red Book® Online* (including one complimentary print version), *Pediatrics*, *AAP News*, eBreaking News, and AAP News OnCall

Enroll your program today!

We encourage all division chiefs and training programs to include AAP national and section membership as part of your fellowship trainee benefits.

Ensure your trainees are on the track to success - contact Amanda Hernandez at ahernandez@aap.org or 630-626-6061 to enroll your program today!
