Certifications and Compliances

Our Mission

We exist to deliver innovative IT infrastructure solutions that will connect the world.

Our Vision

To provide best-in-class IT infrastructure solutions anywhere in the world through our technology and services.

Solutions

- High Speed Interconnects (10G, 25G 100G)
- Copper (Category 6A, 7A, 8.2)
- Fiber (OS1/OS2, OM3, OM4)
- Cabinets, Racks, Cable Management
- Outside Plant/Inside Plant
- Industrial/Ruggedized

Services

- Data Center Design & Installation
- R&D Engineering and Design
- Project Management
- Manufacturing Services
- Preconfigure & kitting
- Private Branding

Specialty

- Structured Cabling
- Hyperscale DCs
- Audio Visual
- WiFi 6, WiFi 6E
- Small Cell, DAS
- Industrial Automation

Capabilities

- 3D Modeling & Prototyping
- R&D Lab testing
- Tooling and automated assembly
- Injection Molding
- Sheetmetal
- Metal Stamping
- Overmolding
- Optical and Electrical performance testing
- Surface decoration
- Prefab and integration
