

Children's
MYLICON[®]
Antacid/Antigas

Back-to-School Series: Tummy Troubles 101

How to soothe your little one's discomfort

Like everyone else, kids experience bloating, gas, and acid indigestion

From the #1 brand recommended by pediatricians for treating infant gas, comes Children's Mylicon[®] Tummy Relief. It's a chewable tablet for kids 2-11, designed to quickly soothe upset tummies.

Active ingredients per tablet

Calcium carbonate 400 mg: Antacid
Simethicone 40 mg: Antigas

- Follow directions based on age/weight
- Repeat as needed
- Do not use maximum dosage for more than two weeks except under the advice and supervision of a doctor

How to use Children's Mylicon[®] Tummy Relief

AGE	WEIGHT	DOSAGE
Infants (Under 2 years)	Under 24 lbs	Consult a doctor.
Children (2 years and older)	24-47 lbs	1 tablet. Not more than 3 tablets in 24 hours.
Children (6-11 years)	48-95 lbs	2 tablets. Not more than 6 tablets in 24 hours.

Liquid Probiotic Supplement

Keeping Infant Tummies Happy, Too

For years, Mylicon[®] has been a trusted name in infant gas relief. And now, there's Infants' Mylicon[®] Daily Probiotic Drops. Featuring one of the most researched probiotic strains in the world, Mylicon's Daily Probiotic Drops reduces the crying and fussiness associated with colic.*

Use only as directed.

*Do not exceed 1 dose (6 drops) per day.

For digestive health: Infants' Mylicon[®] Daily Probiotic Drops[†]

- Helps balance the healthy bacteria in baby's gut and supports immune function
- Replenishes beneficial bacteria that may be depleted through antibiotic use
- Contains no herbal supplements, wheat/gluten, soybeans, dairy, fish/shellfish, or peanuts/tree nuts; non-GMO

†Use only as directed. Do not exceed 1 dose (6 drops) per day.

Infants'
MYLICON[®]
Simethicone-Antigas

For gas relief: Infants' Mylicon[®] Gas Relief Drops[†]

Rely on Infants' Mylicon[®] Gas Relief Drops for relief of painful infant gas. A trusted remedy that gently breaks down gas bubbles, it helps a baby's natural process of getting rid of gas. Safe for even the newest of newborns, it contains just a single active ingredient (simethicone) and is gluten-free, with no saccharin, alcohol, or artificial flavors.

†Use only as directed. Do not exceed 12 doses per day.
