

# Pediatric Care Online™

Treat with confidence.  
Trusted answers from the American Academy of Pediatrics.

Quick access to expert pediatric guidance you can rely on

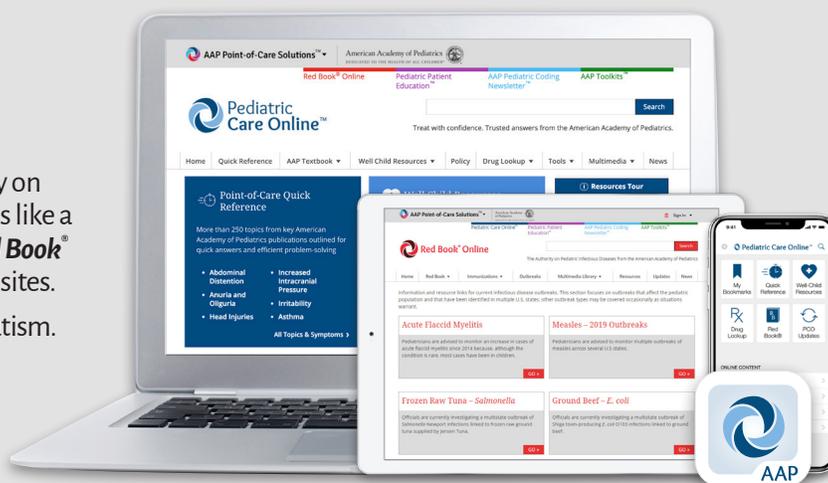

## Pediatric Care Online—Trusted advice. Always on call.

*Pediatric Care Online* bundles all the essential tools you rely on every day into one subscription with one simple log-in. It's like a 4-in-1 resource as it also includes all the content from **Red Book® Online**, **Pediatric Patient Education™**, and the **AAP Toolkits** sites.

- **AAP toolkits**—Including Bright Futures, ADHD, and Autism. **Coming soon**—Mental Health.
- **Pediatric Patient Education**—More than 800 symptom, diagnosis, and disease-based handouts, including Schmitt Pediatric Care Advice collection.

### New! COVID-19—RELATED PATIENT HANDOUTS

- 2019 Novel Coronavirus (COVID-19)
- Social Distancing: Why Keeping Your Distance Helps Keep Others Safe*
- Teens & COVID-19: Challenges and Opportunities During the Outbreak*
- Tips for Coping with a New Baby During COVID-19*
- Working and Learning from Home During the COVID-19 Outbreak*
- **Red Book® Online Outbreaks section**—Keep current with updates on COVID-19 guidance and other infectious disease developments, practice state-of-the-art prevention, and simplify diagnosis and disease management.
- **Point-of-Care Quick Reference**—Indispensable AAP information on 250+ topics streamlined for fast answers and continually being updated.
- **AAP Textbook of Pediatric Care, 2nd Edition**—375 chapters of expert guidance to diagnose, treat, and manage pediatric illnesses.

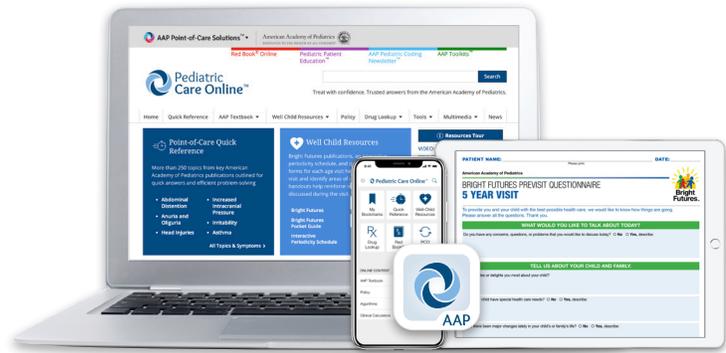

- **Clinical practice guidelines, policies, and reports**—The latest AAP recommendations on vaccine schedules, developmental screening, and more.
- **Visual Library**—Quickly search 3,000+ images for faster diagnosis.
- **Forms & Tools**—Algorithms, clinical calculators, and pediatric drug lookup.
- **Webinars available on key topics** including Identification, Evaluation, and Management of Children with Autism Spectrum Disorder; Making Bright Futures Work! How Evidence, the Periodicity Schedule, and the Bright Futures Guidelines Impact Practice; and many more.
- **Common Pediatric Medical Procedures**—Video series features the 19 Common Pediatric Procedural Skills required by the ACGME.

## DON'T WAIT. GET STARTED TODAY!

### Group Practices and Institutions

Site license subscriptions to any of the AAP *Point-of-Care Solutions™* resources include organization-wide online access set up for authentication via public IP addresses or a referring URL. Subscriptions are sold by means of a rolling subscription model and can begin at any time throughout the year. The benefits of a multiuser site license subscription include ease of access and integration with your website and/or your EHRs.

### How to Order

For information on ordering either directly through the AAP or through a subscription agent, contact the AAP Licensing Team at [institutions@aap.org](mailto:institutions@aap.org) or call 888/227-1770.

### EHR/Website Integration

The content of AAP *Point-of-Care Solutions* can be integrated with your system(s) in a variety of ways to support providers, parents, and patients; in addition, we can assist you, your technical staff, and your vendors to optimize productivity and use of the resources. This is a standard part of licensing, with no additional AAP charge for using AAP standard tools. However, depending on the level of control to modify the interface and/or website, additional costs may be required from those vendors or third parties. Contact the AAP Licensing Team at [institutions@aap.org](mailto:institutions@aap.org).

The American Academy of Pediatrics is the exclusive owner of the *Pediatric Care Online™* Web site and content. Mead Johnson Nutrition has no control over or responsibility for the *Pediatric Care Online™* Web site or content.
