# Your guide to getting more out of your plan

## How the Aetna Medicare Advantage plans work with your doctors

The Aetna Medicare Advantage preferred provider organization (PPO) extended service area (ESA) plans let you continue to use doctors and hospitals in or out of the Aetna Medicare network. And you won't pay more for out-of-network care.

In fact, Aetna Medicare Advantage PPO ESA plans allow you to visit any health care provider as long as they meet both of the following conditions:

- They are licensed and eligible to receive Medicare payment.
- They agree to accept the plan before treating you.

**"Aetna takes care of me. I have no problem with them." \***
