ABOUT ESCNJ (AWARDED THROUGH 2022)

The Educational Services Commission of New Jersey (ESCNJ) (www.escnj.us) offers cost effective educational and business services to over 700 school districts and government agencies.

The ESCNJ also manages a Cooperative Pricing System with over 1,300 members, the state's largest cooperative buying program. Since the founding of the ESCNJ in 1977, it has evolved to become the largest Educational Services Commission in New Jersey. Further, contracts can be utilized in other states throughout the United States. Purchasing simply follows the same protocol, as if joining any Cooperative, membership is free.
