

# Cloud Technology Solutions Provider

**Company Name:** Aufsite, LLC.

Aufsite with over 25 years of experience in dealing with hardware from a sales and management perspective we’ve learned one thing – The cloud can help resolve a lot of the challenge businesses are facing. And after helping a few companies wreak the benefits, we recognized there is a much greater need. This is now Aufsite’s sole focus – We are helping our customers transform their business and lives through innovative technology solutions. Through the cloud, we envision our customers building opportunity through cost-effective IT infrastructures and simplified management that ultimately enable them to focus on what matters most to them...their business.

OUR CORE COMPENTENCIES:

- **Cloud Adoption**
  - Infrastructure, Application, Data Migrations Cost & Security Optimization
- **Cost & Security Optimization**
