# Graphic Towers

## Multi Directional Graphic/Scaffold Towers

**Tower Architecture:** Standard scaffold structures create a 5'x7'x15' graphic tower. Scaffolding can be purchased from Project Graphics or rented locally.

**Graphics:** Digitally printed speaker mesh banners allow for 70% blow-through.

**Installation:** Graphics attach to tower with zip ties through grommets installed on the perimeter of the mesh. Scaffolding is staked in the center to prevent tipping.

**Options:**

- Flank two towers with banners to create an entranceway.
- Adorn corners with flags, penants and streamers.
- Graphics can be produced for any tower configuration.

## Crowd Barricade Covers

### Highly Visible, Space Defining Advertising

- Single or double sided messaging.
- Standard 34"x98". Custom sizing available.
- Combined poly fabric, Sunbrella, or vinyl.
- Envelope construction with grommets and zip ties.

Standard 34" x 98" size.

Description	Q:1	Q:30	Q:50
Combined Poly	\$141.73	\$128.85	\$118.11
13oz Vinyl	\$59.68	\$54.26	\$49.74

Call for other substrate options.

# Kite Poles

## Attention Grabbing, High Overhead Streamers

Attract attention with fabrics in motion

**Options:** 5 pole heights available, 15' - 22'. Some styles are telescopic and some are fixed height. Various mounting methods available for both permanent and temporary installations.

**Features:** Kite flag standard sizes are 8' and 15' and made of 200D Nylon. Flags are easily changed using a tension arm system and yoke. Kite poles rotate with the slightest breeze and keep the flag in motion.

# Peace Flags

## Enhance the Festival Spirit with Color and Movement

Increase attention and send a message of unity

**Construction:** Lightweight vibrant colored pennants sewn to binding cord with tie downs. Suggested lengths are 10', 20' or 50' strings. Pennants can be fabricated to any size and shape.

**Fabrics:** Created with Dupont Bright 66 nylon solids or dye-sub printed dacron with your unique message or emblem. See 200D Nylon color card at back of catalog.

**Sizes:** Custom created to your exact needs and specifications. Call for pricing with your concept and specifications.

**Color:** Black

# Champlain International Festival

Burlington, Vermont

Case Study

## Project Scope:

Visual decor to unify multiple event sites throughout the city that welcomed visitors, recognized event sponsors, decorated stages, and created venue gateways.

## Setting:

The City of Burlington, Vermont and adjoining lakefront promenade on Lake Champlain.

## Installations:

- Downtown: 15' long flag streamers and ribbons at outdoor venues.
- Stage graphics and pennants for four performance locations.
- 60 portable sidewalk signs with event schedules.
- 5' x 10' free standing maps of event locations and directions.
- Waterfront Gateway: 30 Kite Poles with fabric flags, 20 feet tall.
- Tree Wraps: Custom fabricated to create entrance along boardwalk.
- Towers: Four scaffold towers with interchangeable graphics.
- Dimensional wayfinding signage with multi directional arrows.

# Banner Sponsorship Programs

Add attractive visuals.

Add community spirit.

Add revenue.

As a long-time member of the National Historic Trust, we are aware of the challenges faced by historic towns as they try to balance commerce and economic development with infrastructure renewal and preservation of the town's character and history. That's why we developed the Banner Sponsorship Program.

For over fifteen years, the Banner Sponsorship Program has allowed towns across America to install light pole banners in their downtowns without outside funding. In fact, these programs generate revenue. The basic idea is that businesses, patrons, associations and community organizations pay an annual fee to underwrite a banner and their name is then added in a "slice" of matching fabric below your town's banner. They get great local exposure and the town gets a light pole banner program. The sponsorship covers the initial installation and produces even more excess revenue in following years, usually over \$10,000 per year!

If your community is currently undergoing downtown revitalization, utilizing the Historic Trust's Four Point Approach or simply seeking to fund-raise and implement a new banner display, a sponsorship program could provide the necessary funding to jump-start your project. Please contact us to discuss how we can help or to order a copy of the full program guide.

For more information on sponsor programs, call us at **(800) 655-7311**
