SUPPLIER REGISTRATION & MANAGEMENT

IONWAVE technologies

YOUR SUPPLIER SUCCESS CENTER

Ion Wave's Supplier Management module allows you to easily track and communicate with your suppliers. Suppliers can easily register and manage their profiles through a self-service portal.

SUPPLIER PORTAL

Suppliers easily register with the system using a step-by-step wizard. Once registered, they can easily maintain their profile, search for events, and view their past activity.

INSTANT NOTIFICATIONS

Suppliers are automatically notified about matching opportunities based on their commodity profile. Buyers can also send messages to suppliers based on a variety of criteria.

SUPPLIER ACTIVITY LOGS

Easily monitor supplier activity in the system, including login history, messages, and bidding activity.

EASILY NOTIFY AND COMMUNICATE WITH SUPPLIERS

Our system brings you closer than ever to suppliers. Buyers can easily notify groups of suppliers based on multiple commodity codes, diversity classes, or through a custom supplier list. Whether it's a notification, invitation, or reminder, your suppliers will always be up to date.

☑ Customizable Registration Process

☑ Easily Search & Export Supplier Data

☑ Audit Supplier Activity
