

Cricket Pitch

West Windsor Township, New Jersey

- **Street address of subject system:**
West Windsor Community Park
- **County:** Mercer
- **Municipality:** Township of West Windsor
- **Total cost of project:** \$250,000.00
- Roberts Engineering Group surveyed, designed and permitted two new cricket pitches including both a formal and practice pitch. The site was designed and graded to meet the standards of the local cricket association. Storm water management and permitting was also provided.
