

L3HARRIS™
FAST. FORWARD.

POWER25 BUNDLES

All the essentials. Surprisingly accessible.

Voice and data security, improved coverage, interoperability and converged LMR + LTE on-the-move connectivity are today's essentials. Now, Power25 Bundles makes industry-leading technologies surprisingly accessible for smaller utilities and Public Safety agencies.

We've made it simple for you

- > Three affordable, easy to order, easy to deploy bundles
- > Proven P25 interoperability advantages
- > Military-grade cybersecurity protection
- > Converged LMR + LTE communication options

Power25 Bundles: Smart. Fast. All the essentials.

Choose the right fit for your needs
