

Why AmeriHealth New Jersey for Public Sector?

At AmeriHealth New Jersey, we are committed to our public sector customers. We pride ourselves on providing affordable, comprehensive health care to more than 75,000 members in more than 140 school boards and municipalities throughout the state with a 90% retention rate.

Here are some of the reasons why public sector organizations choose AmeriHealth New Jersey:

Equal to or better than guarantee

We will meet or beat any competitor's health plan design.

Comprehensive line of competitively priced products

AmeriHealth New Jersey offers health plan options that fit customers' needs. AmeriHealth New Jersey has a comprehensive, diversified portfolio of competitively priced health benefits programs to offer alongside your current benefits package. Whether you are a municipality or a board of education, AmeriHealth New Jersey has the dedicated resources to meet your needs. If you're looking for lower cost options to accompany your current health benefits package, we have well-priced, alternative health plan designs. We can give your employees additional low-cost choices.

Individualized Account Management — dedicated service

Our public sector clients benefit from the AmeriHealth New Jersey key accounts customer service team, as well as a dedicated account management representative. Your dedicated representative will assist you through everything health insurance, from member claims to monthly billing.

Information when, where, and how you want it

Online account management — **AmeriHealthExpress.com**. Through **amerihealthexpress.com**, members and groups can conveniently manage their health care coverage online. Registration is quick and simple — and transactions are secure.

Personal service from local professionals

The AmeriHealth New Jersey local management team — understanding the New Jersey marketplace. Our management team is comprised of New Jersey-based professionals, including a New Jersey-licensed medical director. The team's sole purpose is to provide the quality service our providers, employers, brokers, and, most importantly, our members demand.
