00	\$8,000	\$7,200

## ALL-IN-ONE SOLUTION

Ion Wave's modular eProcurement system brings consistency and reliability to online procurement. Trusted by public entities nationwide, our system is built to streamline even the most complex procurement processes.

### ABOUT US

*Ion Wave is an industry leader in the eProcurement movement. We specialize in Electronic Bidding, Contract Management, and Supplier Management. Our team has been serving public procurement entities for 20+ years.*

**ELECTRONIC BIDDING**

**SUPPLIER MANAGEMENT**

**CONTRACT MANAGEMENT**

**BID EVALUATION & SCORING**

**SAVE TIME**

eBidding can eliminate up to 60% of the effort to conduct a bid event. Build templates and libraries containing boilerplate forms and parameters for easy re-use.

**ELIMINATE ERRORS**

Comprehensive validation ensures your system has quality data, including automatic error checking of supplier responses prior to submission.

**AIR-TIGHT COMPLIANCE**

Conduct both sealed and informal bidding events with fully featured supplier activity tracking and auditing. Sealed bid data is encrypted and only authorized users can unseal an event.

**AUTOMATIC NOTIFICATIONS**

Users receive email alerts for key events, such as bid closings, contract dates, and certificate of insurance expirations.

**IMPROVE OVERSIGHT**

Dashboard functionality provides a quick overview of system activity, such as active bid events or expiring contracts. Users can see key information and quickly drill down into specific items.

**ADVANCED REPORTING**

Unlock the power of your data through our reporting capabilities. Reports can be viewed online or exported to common formats such as Excel or PDF.

The collage includes several key elements:

- Email Notifications:** A screenshot of an email inbox with a red exclamation mark icon over an envelope, indicating an alert.
- Error Messages:** A screenshot of a form with a red banner stating "2 Errors Found" and a list of errors: "#1 You must complete 'Acknowledgement of Terms and Conditions!'" and "#4 You must complete 'Project Anticipated Completion Date!'".
- Reporting Statistics:** Three callout boxes showing system metrics:
  - 5 Unsubmitted Suppliers** (with a "View >" link)
  - 467 Active Contracts** (with a "View >" link)
  - 6 Evaluations completed** (with a "View >" link)
- System Interface:** A background screenshot of the web application showing a project checklist (e.g., "Carpentry, Flooring, Framing, Finishing Contracting"), a "Response" table with a "Understood" checkbox, and a "References" section.
