## Experience the Buena Vista Difference

At Buena Vista Health and Recovery Centers, we know that addiction is a disease, and we treat it that way. We provide a full continuum of care, including:

- Private rooms for every guest
- A beautiful, serene setting
- An individualized, 12-step treatment plan
- Daily visits with our team of doctors
- Licensed, Master's-level therapists
- Individual therapy sessions daily
- A dedicated case manager
- Two staff members for every patient
- Fresh, healthy, gourmet food
- Activities such as exercise and yoga
- Help with legal issues
- Travel assistance
- Transition planning for long-term care

Buena Vista Health and Recovery Centers is dedicated to providing the highest level of care for our patients suffering from substance use disorder and treating them with the compassion and respect they deserve.

## WE'RE MORE THAN JUST THE BEGINNING.

When it comes to addiction recovery, the first step is always the hardest. By taking that step with a highly rated, professional, medically managed facility like Buena Vista, we'll make sure that first step will be one to build on for many days to come.
