

GENERAL | RECREATION, INC.

Improving lives and communities one place at a time

**Trusted in commercial park, playground
and recreation equipment since 1973**

**The highest
quality products
and a commitment
to local service**

We are committed to enhancing the quality of your children's lives through play. Our extensive experience in the recreation industry assists us in designing, manufacturing and building premier playgrounds, pavilions, site furnishings and much more.

Trusted in Commercial Recreation Equipment Since 1973

For more than 40 years, we have assisted the development of all types of commercial recreation projects: from being amongst the first modular skate park builders to now installing and supporting all of the modern commercial aquatic park equipment,

musical play equipment, and outdoor fitness equipment. We carry an extensive array of kids play structures and site furnishings, including playground surfaces, park pavilions and gazebos, commercial fabric shade structures, outdoor bleachers, and more.

Outstanding Equipment Selection and Complete Solutions for Planning, Design and Installation at Your Parks and Playgrounds

Whether you are looking for replacement playground equipment parts, upgrading your facilities, or developing a playground project from the ground up, we work closely with you to develop a plan and then assist you in implementing that plan. Through our close affiliations with the

most reputable commercial recreation equipment manufacturers in the world and our network of installation experts, we offer an outstanding selection and complete solutions including planning, design and installation.

Playground Equipment and Safety Surfacing

General Recreation has a large catalog of products that can fit any vision for any public space. Despite the diversity of the product offerings, General Recreation delivers each product with the same quality that is the foundation for our company.

As your local representative for Landscape Structures, General Recreation is able to assist in the design and provide unique play areas customized to your facility's needs. With a broad product line of choices, we

can meet the needs for the largest park projects or the smallest neighborhood playgrounds. Look to Landscape Structures, the playground industry's most respected manufacturer for unique playground equipment solutions.

The most innovative in playground equipment and design

Other products

Site Furnishings

Representing high quality manufacturers offering site amenities in all varieties of materials and styles for any park, street scape or other setting.

Aquatic Play Areas

Experienced in aquatic play, you can rely on us from concept to completion for your aquatic play needs.

Band Shells, Gazebos, Pavilions and More

Well designed and constructed, pre-engineered structures compliment any park or public setting. Customization is our strength to meet any facility's requirements.

Outdoor Fitness Equipment

We offer a variety of exercise systems, individual stations, and group fitness areas.

Outdoor Seating

Outdoor aluminum bleacher seating perfect for all spectator seating applications.

Outdoor Athletic Standards

Outdoor athletic standards for basketball, volleyball, baseball, football, lacrosse, soccer and other sports.

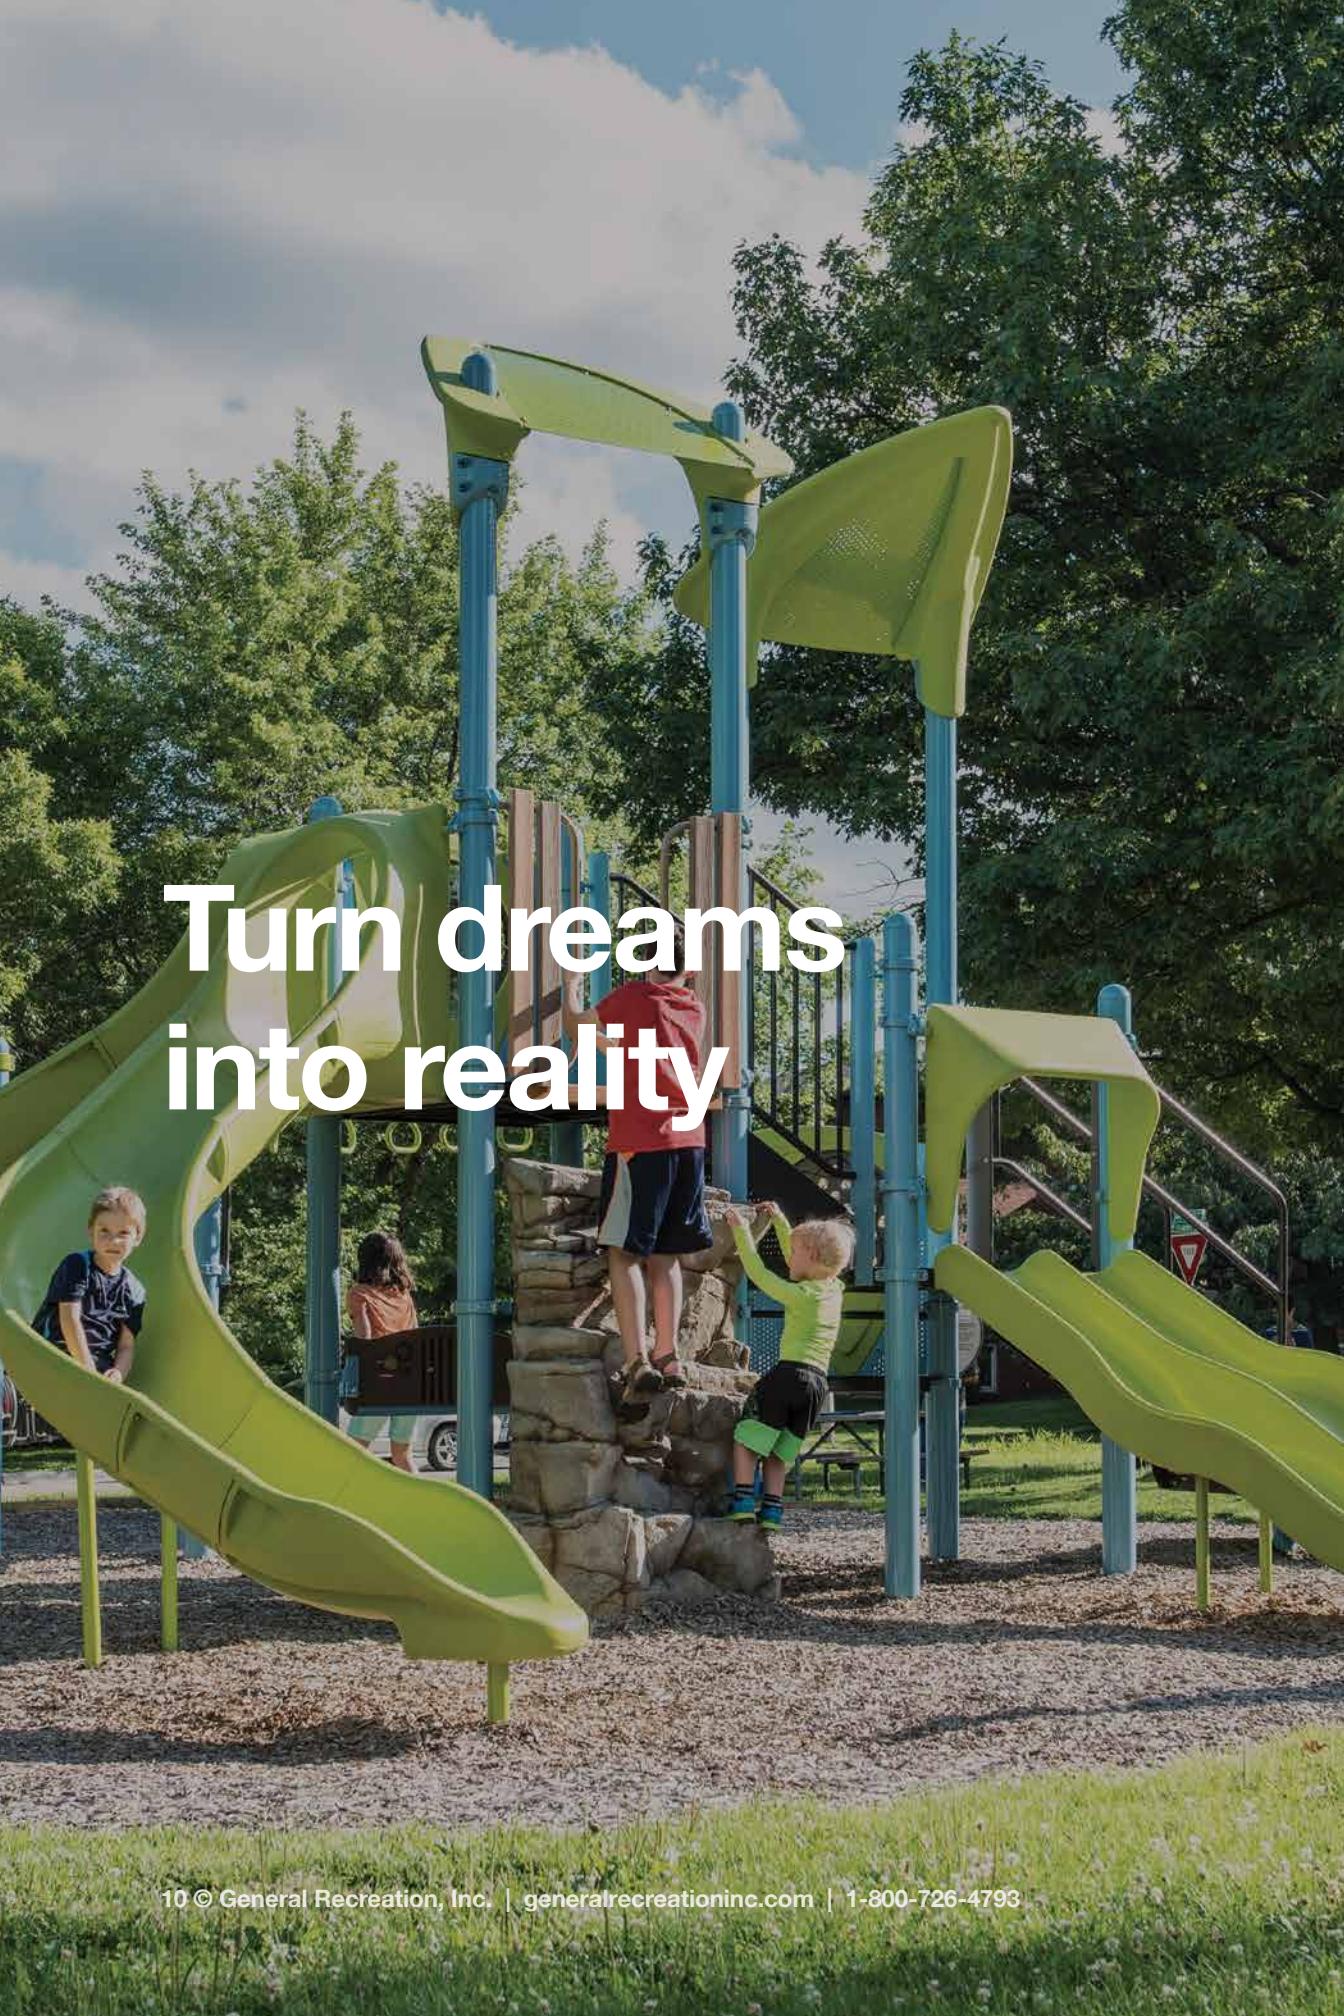

Skate Parks

Modular metal skate park systems offer a durable and cost effective way to provide skate and bike parks in any community.

Fabric Shade Structures

Fabric shade structures not only create cooler spaces but they also can protect your patrons from sun overexposure and dangerous U.V. rays, while extending the usable time for any space.

A vibrant playground scene featuring a large, multi-level play structure with green slides and blue support poles. Several children are engaged in play: one is sliding down a green slide on the left, another is climbing a stone-like structure in the center, and a third is reaching up towards the top of the structure. The playground is set on a gravel surface with lush green grass in the foreground and dense trees in the background under a bright sky. The text "Turn dreams into reality" is overlaid in white, bold, sans-serif font across the center of the image.

**Turn dreams
into reality**

Let us help you visualize your dream by turning your plan into reality

We can provide design services for many of the products we offer, complete with drawings with 3D color renderings, and written specifications. Bring us your most challenging projects, we are ready to dig in our heels and work for the best solution for our clients. We offer free consultations and site evaluations.

As your local representative for Landscape Structures, General Recreation is able to assist in the design and provide unique play areas customized to your facility's needs.

If you would like to learn more about our products and services or if you would like to inquire about how we can help you with your specific community or commercial playground project, contact us today at **1-800-726-4793**.

A vibrant outdoor playground scene featuring a large, modern climbing structure with a rope net and colorful balls. Several children are actively playing, including a boy climbing the net and others running on the colorful rubber mat. The background shows a modern building with large windows and a clear blue sky.

**In everything we
do, quality and
safety are never
negotiable**
