Rebates and Incentives for HVAC and Water Heating Equipment

Upgrading to energy-efficient HVAC and water heating equipment in your home has never been easier and more affordable. When you install qualifying equipment, you can apply for combined rebates up to \$1,800 from New Jersey Natural Gas (NJNG) and New Jersey's Clean Energy Program™ (NJCEP).* Or, NJNG offers 0% APR financing through our On-Bill Repayment Program (OBRP).* You can finance one or more pieces of equipment and return at any time to take advantage of the OBRP and NJCEP rebates for additional system upgrades. Enhanced rebates and financing options are available for income-eligible customers.

Visit NJCleanEnergy.com for equipment qualifications.

Smarten up your HVAC equipment with up to a \$150 instant rebate on a Smart Wi-Fi Thermostat.
Visit the Marketplace at njng.com/marketplace to learn more.

Whole-home Efficiency Incentives

Don't just upgrade your HVAC and water heating systems. Maximize your energy savings through Home Performance with ENERGY STAR® (HPwES) for helpful solutions that include system upgrades, seal up and insulation. An independent participating certified contractor will provide recommendations, associated costs and potential energy savings with an in-depth home energy analysis. You could be eligible for rebates up to \$4,000 and 0% APR financing to make it more affordable to implement these energy-efficiency measures.*

One-stop Shopping — NJNG Marketplace
Ready to take the first step towards energy savings?

Check out our online NJNG Marketplace for discounted products, including smart thermostats and instant rebates, as well as conservation kits, lighting and more to help you achieve immediate savings around your home. Visit the NJNG Marketplace at njng.com/marketplace to start making small changes that can add up.

Home Energy Analysis

For just \$49, a SAVEGREEN certified auditor will conduct an in-depth home energy analysis to help identify opportunities to reduce your energy costs by up to 30 percent.** To get you started, we'll provide low-cost energy-efficiency measures such as LED light bulbs. Plus, our home energy analysis can include the installation of a smart thermostat. **This special offer is ONLY available when you purchase the smart thermostat on the NJNG Marketplace at njng.com/marketplace.** Schedule your analysis at 877-455-NJNG (6564).

Smart Thermostat

Take better control of your HVAC system with up to a \$150 instant rebate on the purchase of a smart thermostat.** Manage your heating and cooling settings from the convenience of your mobile device. Occupancy sensors and energy usage reports will help you manage your energy costs. We'll make it easy for you with our 0% APR On-Bill Repayment Program.* **This special offer is available ONLY when purchased on the NJNG Marketplace at njng.com/marketplace.**

Pair it with the \$49 home energy analysis, and we'll include installation. Call us at 877-455-NJNG (6564) to schedule your analysis.
