

LEGACY PROGRAM

4-STAGE OPEN HIGH PRESSURE BREATHING AIR COMPRESSORS

The LEGACY program units are built on the popular and serviceable VERTECON platform and are not stripped down units. Rather they are built with BAUER's most popular options and upgrades!

The standard scope of supply includes PLC controls, interstage and final pressure gauges, oil pressure gauge, analog hour meter, and operations panel-mounted On/Off switch, Indicator lamps with shutdown or fault code illumination. Automatic condensate drain system with a reservoir and integrated fluid level sensor incorporating system shutdown should the reservoir fail to be drained. We also provide our Bauer P2 Securus purification system to round out the feature-rich product offerings. Additionally, we offer an electronic Carbon Monoxide Monitoring system that is available as an optional system enhancement.

LEGACY units will be built in quantity utilizing proven "work cell" manufacturing techniques for "off the shelf", in-stock delivery. This quantity build coupled with the uniform LEGACY platform enables us to capture economies of scale which in turn allows us to leverage internal resources and supply chain management.

- › **PRESSURE:**
Up to 6000 PSIG
(414 BAR)
- › **CHARGING RATE:**
13 to 18 SCFM
(368 to 510 L/MIN)
- › **POWER:**
10 to 15 HP (7.5 to 11 kW)

LEGACY UNITS

Model	Charging Rate ¹		Number of Stages	Motor		FAD ²	RPM	Purification System
	SCFM	L/MIN		HP	kW			
LEGACY COMPRESSOR 6000 PSIG (4 14 BAR)								
LEGACY 2/13-E1 (230 volt)	13	238	4	10	7.5	11	1420	P2 B-SECURUS
LEGACY 2/13-E3 (208 volt)	13	238	4	10	7.5	11	1420	P2 B-SECURUS
LEGACY 2/18-E3 (208 volt)	18	510	4	15	11	15	1325	P5 B-SECURUS

1) Based on recharging an 80 cubic foot tank from 500 to 3000 psig. 2) Compressor capacity referenced to standard inlet conditions. E1= Single phase electric, 230 VAC/60 Hz. E3=Three phase electric, 208/60 Hz. Dimensions and weight are approximate and are subject to change.

OPTIONAL ACCESSORIES - VERTECON

Item	Description
0001	LEGACY 2-CO-RETRO monitor
0002	KIT - 0623 (HMI-KIT)
