

## CURIS HAND SPRAYER

### EASILY TREAT LARGE OPEN SPACES

The lightweight CURIS Hand-Held Sprayer fits comfortably in your hand for easy use with optimal spray control. Consistent coverage for large, open spaces.

## BETTER THAN ELECTROSTATIC

### NO BOOMERANG EFFECT

Sprayed solution always sticks to the surface, not the applicator

### NO STICKY RESIDUES

Never any messy, harmful residues. Our solution decomposes to water & oxygen

### NO HEAVY LIFTING

No liability of back straining from heavy equipment

## Disinfection at your fingertips
