

Locum tenens jobs available to residents and fellows.

Whether you've just finished up your residency or are looking for growth opportunities while in your fellowship, locum tenens offers you the chance to build your CV, earn extra income, and start your career.

Finding flexibility.

Work locum tenens where, when, and how you choose. It's up to you.

We even help negotiate compensation to get you the best pay possible.

How can a consultant help your job search?

If you've never considered working with a Weatherby Healthcare consultant, consider this:

- We handle your job search
- We help with CV, credentialing, traveling, and more
- We cover your malpractice insurance while on assignment
- All our services are completely free to you

The advantage is clear:

1

Experience

2

Personal service

3

No cost to you

We have experience working with residents and fellows in all specialties. Let us help you find the opportunities available to you.
