

Enjoy a streamlined path to your locum tenens assignment

We value you, so we value your time. And after nearly three decades in the industry, we've fine-tuned the locum tenens process. Here's how we make the steps easier.

CONTACT US

We'll connect you with one of our specialty-specific consultants.

COMPLETE ONLINE APPLICATION

This allows us to begin matching you to great jobs based on your criteria.

CHOOSE YOUR ASSIGNMENT

After reviewing the various job opportunities, select the best one for your personal and professional goals.

PREPARE FOR ASSIGNMENT

We'll credential you, expedite privileges, add you to our malpractice policy, and facilitate a license if necessary.

CONFIRM TRAVEL AND HOUSING

All your travel and accommodations will be arranged by our team of experts.

START WORKING

We'll provide you with a first-day training packet and support you every step of the way.

GET PAID

Tracking your work is easy with our convenient online time entry system, which includes weekly pay.
