

Physician Training & Fellowship Programs at PM Pediatrics

PM Pediatrics developed the first ever fellowship in Pediatric Urgent Care Medicine in 2012, and has successfully trained over 40 fellows. Designed for recent pediatric residency graduates and experienced pediatricians, our training programs enhance the clinician's ability to practice in a high acuity, fast-paced, and academically stimulating environment. Additionally, PM Pediatrics offers continuing educational opportunities to facilitate your growth as an urgent care expert throughout your career.
