

Ways to Give

Monthly Giving Program

Join the monthly giving program to ensure that your support to the AAP never falters. You set the amount that you wish to contribute each month. Never miss a month. Never miss being a part of energizing AAP programs. At donate.aap.org, select the “**Monthly**” option under Gift Type. Then, set up your custom gift amount.

Tribute Gifts

You can make a meaningful contribution that recognizes a special person in your life. When placing your donation at donate.aap.org, after you have selected the amount, select “This is an honor or memorial gift.” AAP will send a tribute notification to the individual or family of your choice.

Named Endowment

Create an endowment in your name, or for someone special. An endowment is a gift that lasts for years to come, while supporting a specific program that is dear to your heart. A named fund is a way to share what is meaningful to you, well into the future.

Other Giving Options:

- Donor-Advised Fund Transfers
- Stock Gifts
- Gifts to Celebrate a Special Occasion
- Named Recognition in the AAP Headquarters
- Retirement Fund Gifts
- Estate Gifts to Leave a Legacy

Investigate your Gift Planning options at aap.planmygift.org.
