

ORAL & MAXILLOFACIAL SURGEON – OPPORTUNITY DESCRIPTION

FULL-TIME EMPLOYMENT OPPORTUNITY / Sept. 2021

Chickasaw Nation Medical Center / Ada, OK

(2 hours north of Dallas, TX metro and 1 hour south of Oklahoma City)

Join a comprehensive dental team, including 12 general dentists, 2 OMS colleagues, 2 Pediatric dentists and an Endodontist! The dental clinic is located in a beautiful 390,000 square foot hospital, completed in 2010. The Chickasaw Nation Medical Center includes primary care and a number of specialty services, including optometry. This position has NO call.

HIGHLIGHT OF TRIBAL BENEFITS

- 100 % of physician/dentist medical insurance and 95% of family is paid (includes medical, dental, prescription and optometry benefit)
- 401K with matching
- Paid Relocation
- Generous annual and sick leave plus 12 holidays
- Paid CME days and CME allowance
- Federal Tort malpractice coverage
- Annual bonus program (non RVU) after completing first year
- Life insurance and short-term/long-term disability

Candidate should be a graduate of an accredited Dental or Medical School and completed a U.S. accredited OMS residency. Must have a state medical license and/or be eligible for an Oklahoma dental license. Preferred qualifications include board certification and two to five years' post-residency experience. However, new graduates are encouraged to apply.

Cases can be done in the hospital OR; however, due to overall surgical demand in the operatory, at least 50% of cases can be done in the dental clinic. We are looking for a team-oriented OMS who wants to pursue excellence in this JCAHO accredited health system.

Ada has a population of 20K with access to three metro areas in two hours or less (Oklahoma City, Tulsa and Dallas, TX). Cost of living is below the national average with a variety of housing options. There are three excellent school systems and a four-year

university. A growing number of national chains, including Home Depot and Starbucks, have a presence here. The area is accented by rolling hills and beautiful trees with enough rainfall to keep it green. Sport fans have access to the OKC Thunder NBA and NCAA Div. I athletics at OU and OSU.

The Chickasaw Nation has a beautiful new two-story workout facility free to all employees and their family. Wintersmith Park has a lake surrounded by a walking track and adjacent amphitheater. Golf courses, a country club, tennis courts and local lakes provide numerous outdoor activities to keep outdoor enthusiasts entertained. Venues like the historic McSwain Theater and East Central University offer a variety of musical and theatrical performances throughout the year.

Ada has a “small-town” feel, but due to the presence of the Chickasaw Nation and the progressive vision of the community, the area continues to grow and expand to meet the needs of this thriving city and its citizens. The Chickasaw Nation employs over 13,000 people, making it one of the three largest employers in the state.
