

Benefits of becoming a Licensed Provider

INCOME FREE OF INSURANCE CONTROL

We understand the frustrations of collecting payments from insurance companies. With The Urbanek TMJ Splint you can **create substantial income for your practice FREE of insurance control** with this unique, cash only service.

MAKE YOUR PRACTICE STAND OUT

US Patented & FDA Cleared, The Urbanek Protocol and Device will allow your practice to stand out with this proven & unique treatment. You will get **EXCLUSIVE control of your market, that means NO COMPETITION!**

EXPONENTIALLY INCREASE PATIENT TRAFFIC

Is your practice growing? **We are seeing over 90 NEW patients on monthly basis!** The Urbanek TMJ Splint increased our patient traffic to unheard of levels and it can do the same for your practice!

CONTINUOUS STREAM OF MONTHLY REFERRALS

When you become a Licensed Provider you will gain access to our **unique Marketing Program** that will guide you and your staff, step-by-step, in a simple and very effective process of **continually bringing in NEW referrals to your practice.**

SUCCESSFULLY TREAT TMD PATIENTS

I have **successfully treated over 3000 patients with The Urbanek TMJ Splint and Protocol.** Each of them has a unique story but they all share one thing: they all finally found real relief to real pain they have been experiencing due to their TMD.

COMPLETE ECONOMIC FREEDOM

By creating a substantial income stream independent of Insurance Control, you can achieve **FINANCIAL FREEDOM** for your practice! In 2019 my personal practice reached **\$800K in revenue from The Urbanek Device.**
