

Real Success Stories from Patients using The Urbanek TMJ Splint

“

AFTER 62 YEARS OF MARRIAGE, MY HUSBAND NO LONGER HAS TO HEAR GUNSHOT NOISE WHEN I EAT. LIKEWISE, I NO LONGER HAVE SEVERE JAW PAIN AND HEADACHES EVEN WHEN NOT EATING. THIS SMALL DEVICE TOOK AWAY THE AGONY ALMOST MAGICALLY. **I KNOW I COMPLAINED TO DENTIST #1 AND DENTIST #2 AND DENTAL CONSULTANT #3 AND DENTIST #4. FINALLY, #4 SENT ME TO DR.URBANEK. AND THAT SOLVED THE AT LEAST 70 YEAR PROBLEM.**

THE URBANEK SPLINT HAS PROVIDED RELIEF TO MY TMJ PROBLEMS. . I HAD JAW PAIN, POPPING AND NECK STIFFNESS. I TRIED EVERYTHING. A NIGHT GUARD FROM MY DENTIST , CHIROPRACTOR, MASSAGE THERAPIST AND EVEN BOTOX. WHILE SOME RELIEF OCCURRED AND THE BOTOX MADE ME LOOK YOUNGER, **NOTHING TOOK AWAY THE SYMPTOMS AND PAIN LIKE THE URBANEK DEVICE.**

I WAS IN SOME OF THE WORST PAIN I'D EVER FELT FOR MONTHS AND WENT TO MULTIPLE DOCTORS, NO ONE COULD TELL ME WHAT WAS WRONG. WHEN I CAME TO SEE DR. URBANEK HE KNEW IMMEDIATELY WHAT WAS GOING ON AND WHAT NEEDED TO BE DONE. **I'VE BEEN USING THE SPLINT FOR 5 WEEKS NOW AND ALMOST ALL OF MY PAIN IS GONE AND IT JUST KEEPS GETTING BETTER!**
