The OMS Preferred Difference

➤ NO SURGEON (OR ENTITY) LEFT BEHIND

We don't require your entire group to be insured with us for the entity to have coverage, unlike most carriers. And if you're joining a group insured by a carrier who does require this, we add vicarious liability for the practice at no additional cost to your policy.

➤ FINANCIAL STRENGTH

Having our policies underwritten by MedPro Group means we benefit from the financial strength of a Berkshire Hathaway company with an A++ rating from A.M. Best. With 120+ years of experience, we'll be here to protect you and your colleagues for the rest of your careers.

➤ CLAIMS-MADE OR OCCURRENCE

You can switch from Claims-made to Occurrence without paying expensive tail coverage all at once. If Claims-made is the best fit for you, you can retire at any age without buying tail. You just have to hold a mature Claims-made policy with us for a year.

➤ LOWER COST

We don't make you pay a capital contribution. That helps lower your annual costs and gives you the freedom to invest those savings wherever you choose.

➤ PURE CONSENT TO SETTLE

If a claim goes to trial, you'll have the final say regarding accepting settlement. After all, it's your career and livelihood. Your insurance company shouldn't make that choice for you.

➤ UNRIVALED CLAIMS DEFENSE

We have an unmatched claims record and use only the best local defense counsel. Rest easy knowing that we win 95% of claims that go to trial.

➤ TRUSTED EXPERTISE

Unlike other companies, our expertise goes beyond oral and maxillofacial surgery. We're trusted by over 300,000 healthcare providers in a wide range of specialties. That only adds to our defense, risk, and litigation knowledge.

Every year, OMS around the country save thousands when they switch to OMS Preferred.
