

Take Your Practice to the Next Level

The Right Tools. The Right Results.

Amplify 24/7 Live Chat

Our Smile Specialists respond within 7 seconds to convert chats into appointments.

Scheduling

Allow patients to schedule online and maintain full control over your schedule.

Invite

Identify current patients with open treatment plans to fill gaps in your schedule.

Matchback

Track the collected revenue and life-time value of patients who interacted with Live Chat or Online Scheduling.

Payments

Enable text-to-pay and create customized payment plans with 0% merchant fees.

Connect

Meet patients virtually through video visits and accept payments and consent.
