Office Anesthesia Evaluation Manual, 9th Edition

The popular anesthesia reference has been completely updated to reflect revisions made to the AAOMS Office Anesthesia Evaluation (OAE) requirements. The 9th Edition features:

- Increased focus on managing the pediatric patient.
- Expanded emergency protocols with added mock drills.
- Newly added OMS-specific flowcharts for perioperative and intra-operative airway problems.
- Patient selection tools to identify patients with increased risk.
- Standards for evaluator preparation to ensure consistent evaluations nationwide.

To address the growing aging population in the United States, the OAE manual includes a chapter focused on the geriatric patient.

The comprehensive guide offers select algorithms from the Advanced Cardiovascular Life Support (ACLS), the American Heart Association's Pediatric Advanced Life Support (PALS) and *AAOMS Parameters of Care*.

Anesthesia assistants studying for the Dental Anesthesia Assistant National Certification Examination (DAANCE) also will benefit from this manual. While not required for certification, the OAE is intended to supplement exam preparation. ©2018

Office Anesthesia Evaluation Manual Online

The *OAE Manual Online* web-based program supplements the essential office anesthesia manual with nearly a full hour of video for a comprehensive demonstration of anesthesia emergency scenarios. Video segments demonstrate:

- Proper facilities and equipment.
- Considerations in administering anesthesia to obese and medically compromised patients.
- Administration of anesthesia to pediatric patients.
- Treatment of anesthesia emergencies including syncope, drug allergy, airway management, laryngospasm, bronchospasm, emesis and aspiration hypotension, hypertension, myocardial infarction, malignant hypothermia and others.

A PDF manual and MP4 video files are available for download directly to your computer, making *OAE Manual Online* the most convenient way for your office to stay compliant with AAOMS membership requirements and state dental board regulations or for anesthesia assistants to study for the DAANCE. ©2019
