

COMPANY PROFILE

Intelligent Healing®

Making a Difference Through
Intelligent Healing®

OUR MISSION

StellaLife® is a biotech company on a mission to improve people's lives and significantly reduce, or in some cases eliminate, the need for narcotic pain medications, steroids and antibiotics. VEGA® Oral Care is formulated to temporarily reduce post-surgical dental pain, accelerate healing and promote optimum oral health. We believe and have proven that better healing can be done more naturally.

INTELLIGENT HEALING®

Limiting exposure to toxins is essential in ensuring good health. Intelligent Healing starts with the extraction and formulation of natural ingredients from botanical plants and minerals. We mainly use organic live plant essential oils and no synthetic ingredients.

OUR VALUES

Innovation and excellence. Customer focus.
Respect for people. Passion for natural healing.

OUR START

Years of researching, experimenting and collaborating with leading chemists, dental specialists, physicians, and pharmacists led us to the creation of StellaLife®. With the introduction of patent applied VEGA® Oral Care, we deliver on our vision of better healing in a more natural way through homeopathic solutions. We connect health with nature. Our innovative products deliver results and promote a lifetime of good health and well-being.

MANUFACTURING

StellaLife® products are manufactured in the United States utilizing homeopathic ingredients following HPUS and GMP guidelines.

StellaLife® VEGA® Oral Care Recovery Kit was awarded the Top Oral Healing Product by the Dental Advisor™ three years in a row.

StellaLife® VEGA® Oral Care Gel received top rating and Editors' Choice Award, the highest distinction given by the Dental Advisor™.

"The dramatic change we have seen has been very impressive." — Dr. Pikos, FL

"We have yet to uncover the limitations of this product." — Dr. Stoner, OH

"We have experienced a significant reduction in our patients' post-operative pain, discomfort, and swelling in conjunction with enhanced wound healing." — Dr. Doobrow, AL

"The greatest aspect of incorporating the StellaLife VEGA Oral Care program into my practice has been the significant improvements seen in the surgical wound healing and increased post-surgical success rate." — Dr. Salcetti, CO

"StellaLife helped prevent and soothe mouth ulcers as patients go through radiation. Oncologist, radiologist and ENT specialist said they have never seen this and were extremely impressed with how effective StellaLife was for Sharman's father." — Robin, Oral Cancer Cause

"I am an advanced stage 4 oral cancer survivor and really haven't had luck with other products. I have pain in my mouth and it gets raw sometimes so the gel and mouth wash help. I appreciate your product." — Susan, VA

"I have seldom seen a safe breakthrough product of this magnitude." — Dr. Sheldon, FL

"Two extractions and implants. No pain pills. I will not have another dental procedure without StellaLife." — Judy, TN

My daughter had her wisdom teeth removed, experienced accelerated healing, took 3x dose of Tylenol and no other pain killers. Opioids are a slippery slope...with this product you will avoid them." — Karen, NY

"Very happy with results for our rheumatoid arthritis patient with severe dry mouth and gum irritation." — Lisa, RDH, FL
