

Manage Your Dates Manage Your Kit

CodeBlue™ is our premium monitoring service for your emergency drugs. It keeps things simple by having your emergency drug dating in one central location and notifies you when it's time to replace your expiring drugs. Utilizing CodeBlue™ can help your office save time and money.

Expiration Dates

Dates are automatically updated when you order through MPS.

Multiple Carts/Kits

Easily track one or more carts/kits with one convenient interface.

Online Access

View and manage your emergency drugs from your phone, tablet and computer.

Notifications

Monthly email and fax alerts.
Bi-Annual inventory reviews.

Sorting

Sort by drug, cart or expiration date.
