THE BUSINESS OF  
DENTISTRY DONE RIGHT

# WHO WE ARE

42 North Dental partners with practices, empowers employees, and provides resources and support to enable those in the dental industry to focus on what they love — providing quality dental care.

Our company was created by dentists for dentists over 40 years ago to support a large group practice. At 42 North Dental we recognize the important role you play in building your practice and value the legacy you built. As your partner, our goal is to provide you with the business guidance, resources, and support you need to move forward, evolve your practice, and realize your career goals.

## PROVIDING SERVICE, SUPPORT, & MORE

### OPERATIONAL & ADMINISTRATIVE EXPERTISE

Our experts bring decades of dental support experience to ensure you maintain the highest clinical standards as they help fulfill all of your administrative needs.

### MENTORING & PROFESSIONAL DEVELOPMENT

42 North Dental provides strong peer relationships with renowned dentist in the industry. 42 North Dental supported dentists have won more *Boston Magazine* “Top Dentist” awards than any other dental practice in New England. Our supported doctors sit on the board of prestigious dental schools and state dental boards.

### AN APPROACHABLE, SUPPORTIVE ENVIRONMENT

With 42 North Dental you can always count on clear, open communication and a truly collaborative effort where your success is our #1 priority. Our New England based team is the right size to provide personal one-on-one support, yet large enough to invest in practice and professional growth.

### OPERATIONAL EXCELLENCE FOR PRACTICE SUCCESS

Our operational team has decades of industry experience to enable practice success. 42 North Dental partners with practices to drive increased patient flow and handle administrative tasks leaving more time for teams to focus on quality patient care.

### A FOCUS ON DEVELOPING THE FUTURE OF THE DENTAL INDUSTRY

42 North Dental provides a vast resource network and opportunities to grow your career, and practice, to its fullest potential. Our winning model is recognized by thousands throughout the North East.

*“The model of continued doctor ownership, professional support and management allows my five practices to flourish and maintain the clinical excellence and superior patient experience on which our reputation is built. The partnership allows us to share our best thinking and help our patients achieve the oral health they deserve.”*

# EXPERIENCE THE POWER OF PARTNERSHIP

## THE 42 NORTH DENTAL MISSION:

We eliminate barriers to quality patient care by providing business and administrative expertise, resources, and support to dental practices.

We offer dentists clinical autonomy and equity ownership, including non-clinical solutions and the business support needed to allow your practice to grow and thrive.

## OUR VALUES:

### THE POWER OF PARTNERSHIP

42 North Dental offers a full suite of services, as well as marketing and operational support, to drive practice success. Busy dental care professionals can stay focused on providing excellent patient care while we take care of the time-consuming administrative tasks.

### EMPOWERING & ENERGIZING YOUR TEAM

Clinical autonomy is important to the success of your business. We empower your team by encouraging growth and development opportunities through formalized training, mentoring, and peer networking.

### PATIENT-FOCUSED CARE

We support practices so clinicians can focus on patients to provide a positive, life long impact. We know that when a team is well support and engaged, it shows in all areas of the practice.
