

Straumann® ImmediaXy  
Taking immediacy to the next level.

# Answering the patient demand for immediate smiles.

Patients' lives are becoming more immediate every day. Your patients are used to frictionless platforms in their day-to-day life that deliver easy and instant results. When they come into your office they are looking for the same thing – a new smile faster.

In-House

Outsourced

## 1 Treatment Consultation

### 3Shape TRIOS®

Go beyond with digital impression scanning.

## 2 Planning and Designing Your Case
