AWARD-WINNING ARCHIVAL CONTENT AND TECHNOLOGY SOLUTIONS FOR TODAY'S DIGITAL CLASSROOM NEEDS

In a world of accelerating change, the library will remain at the heart of education by marrying content with technology. Adam Matthew Digital and Quartex will be your essential partners throughout this transition.

- Connect award-winning Adam Matthew Digital archival collections with your institution's own digitized content.
- Highlight faculty projects by showcasing and connecting their research and work.
- Break down research silos and connect with a broader network of collections and community of researchers.

SEE IT FOR YOURSELF

“

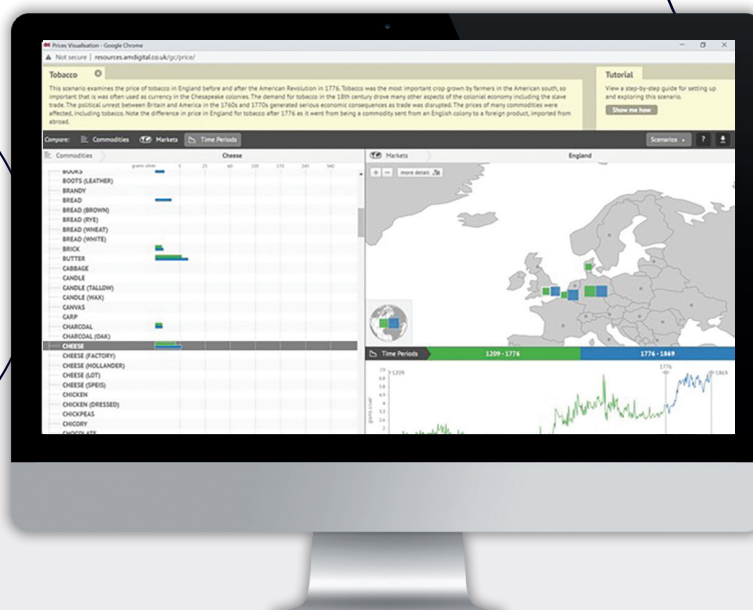

Having access to a rich and robust array of digital archives and special collections is really crucial in giving all of our students equal opportunity to conduct original research in primary sources.
