Brock University, Canada

Reasons to Publish in *Botany*

Proudly affiliated with the Canadian Botanical Association and the Canadian Society of Plant Biologists.

Your research enhanced: All articles undergo rigorous peer review to ensure the highest editorial standards.

Your research, available faster: Accepted manuscripts are published online within 5 days of acceptance and are immediately citable.

Your research will always be yours: Our authors retain copyright and there are no fees for you to reuse your published material.

Your research promoted and shared: We actively promote journal content through various social media and news outlets and track the amount of attention articles received using Altmetrics.

Your research disseminated and discoverable: Our journals are indexed in major databases such as Web of Science, Scopus, Google Scholar, and MEDLINE/PubMed.

Your research, worldwide: Our journals are distributed in over 125 countries and include free or subsidized access for developing nations.

Your research, your choice: We publish a variety of open access and subscription-based journals, enabling you to publish your research your way.

Your research, funder compliant: Our journals offer a range of options for you to comply with the open access policies of all major research funding agencies.

Your research is secure: Our journal content is archived in both CLOCKSS and PORTICO to ensure its long-term preservation and availability.

Your research professionally presented: All journal content is copy edited, professionally typeset, and published on a highly functional website.
