Everything you
love about Amazon.
For nonprofits.

What is Amazon Business?

Amazon Business combines the convenience and value you've come to love from Amazon, with unique benefits for businesses. Whether you're a local animal shelter, or a large nationwide charity, Amazon Business makes buying easy.

User-friendly workflows help you get the required approvals for items over a specific amount, and the Amazon Tax Exemption Program applies sales tax exemptions to eligible orders placed by your entire business account. Customizable reports provide insights into spending and allow your organization to make changes that increase efficiency, improve transparency to donors, and drive social impact.

How do I get started?

Go to www.amazon.com/b2b to sign up for a free Amazon Business account.

- 1 Click **Create a Free Account**.
- 2 Enter the work email you want to use to register your new account.
- 3 Once you're registered, invite team members to join the account, create groups, and designate approvers.
- 4 Configure your preferred payment methods and tax exemptions under **Business Settings**.
