MIDDLE SCHOOL MAKERSPACE

MAKERSPACE CAREERS

ROSEN • GRADES 7-12

Makerspace. FabLab. TechShop. Hackerspace. Whatever one calls it, a makerspace is more than a creative space. It provides vital skills in science, technology, engineering, and math (STEM), while teaching hands-on education, enhancing critical thinking, and more. Each book in this set identifies a specific type of career, such as electronics, interactive media, and robotics.

STEM MAKERSPACE PROJECTS

ROSEN • GRADES 4-7

This set was designed with burgeoning makers in mind, but it is also intended to draw in less ambitious readers. Each book covers a subject area essential to the elementary science curriculum and supplements the STEM instruction with manageable makerspace projects illustrated with step-by-step directions. Designed in correlation to Next Generation Science Standards.
