

# LENDING LIBRARY

## The Future of Libraries is here! Be a Leader in the Technology Movement!

An innovative dispensing machine that allows libraries to provide books, magazines, CD/DVD/Games, audiobooks and E-books to their patrons 24/7.

The Lending Library is a convenient extension of your library in high traffic areas such as recreation centers, grocery stores, community centers, malls, hospitals, transportation centers, etc. The Lending Library is the perfect Outreach Kiosk to provide services to neighborhoods that cannot support a full Library.

**NEW Hotspot now allows patrons to download e-Books from the Lending Library to their own phones or tablets.**

### FEATURES

- Can contain up to 500 items
- Holds all types of library media contents: hardcover, paperback, DVDs, Games, Books on CD and more!
- Complete SIP2 integration with your ILS included
- Barcode and RFID identification for library card
- Creates a new, exciting service for your library, launching you into the library of today!

### DIMENSIONS

72" h x 37.8" d x 44" w
