7 Ways to Advance Your Career in Nutrition Science as an ASN Member!

From the early years of your training until now, you've been dedicated to nutrition. Or perhaps you aspire to join the profession. Regardless of your status, you want to make the most of your career. Here are seven ways in which ASN can help advance your career when you become an ASN member!

Stay Up-to-Date with the Latest Findings

Come to Nutrition 2019, ASN's premier scientific meeting focused on all topics relevant to nutrition. Get the latest information in nutrition science and advance your understanding in the field. Become an ASN member and save up to \$200 off your meeting registration.

Access Reliable Information

Stay informed 365 days a year through members-only complimentary online access to ASN's peer-reviewed journals, *The American Journal of Clinical Nutrition* (AJCN), *The Journal of Nutrition* (JN), *Advances in Nutrition* (AN) and *Current Developments in Nutrition* (CDN).

Publish in Leading Journals

Share your research with the international scientific community. As an ASN member, you will receive a discount on page charges and a 10% discount for open access publication in the top peer-reviewed journals in nutrition science.

Expand Your Knowledge

Stay current and abreast. Take advantage of ASN's online educational portfolio including podcasts, author videos, recorded webinars, videotaped conference sessions, blog entries and more.

Present Your Research

Present your research and be recognized for your hard work! ASN grants more than \$100,000 annually for scientific and travel awards, scholarships and honoraria to support the best and brightest of our field.

Connect with Other Nutrition Professionals

Join our global network of over 6500 members in 100 countries. Make your voice heard in one of our 16 Research Interest Sections (RIS). Talk to other professionals or connect with a mentor or mentee through our members-only community, ASN NutriLink!

Get Involved in an Interdisciplinary Community

Through ASN's membership with FASEB, exchange ideas with other scientific disciplines through FASEB's Legislative Action Center, online access to the FASEB Member Directory and career development resources.

Renew Your Membership Online!

The new ASN membership portal makes your annual renewal an easy process. All online renewals are processed securely and immediately so you may continue to enjoy uninterrupted access to your ASN membership benefits. Try renewing online, today!

In your preferred internet browser, navigate to the top bar where you may enter web addresses. Type the following web address exactly as shown: **<https://signin.nutrition.org>**

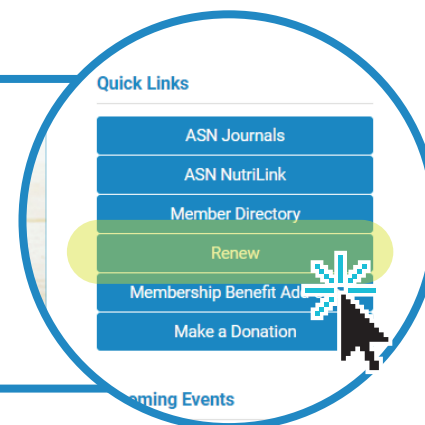

Enter your ASN Membership credentials in the "Username" and "Password" fields and click the gray "Login" button.

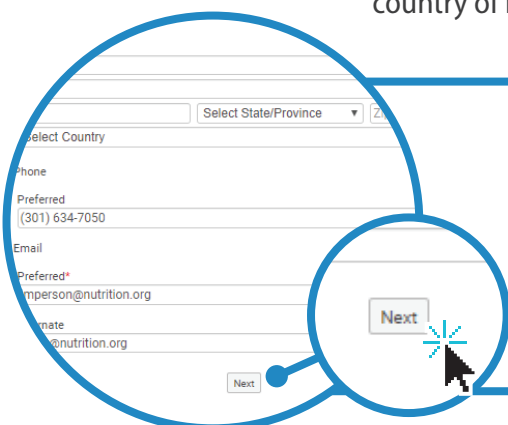

Forgot your password? Simply click the "Forgot your password?" link under the login form. You may also email us at **mem@nutrition.org**.

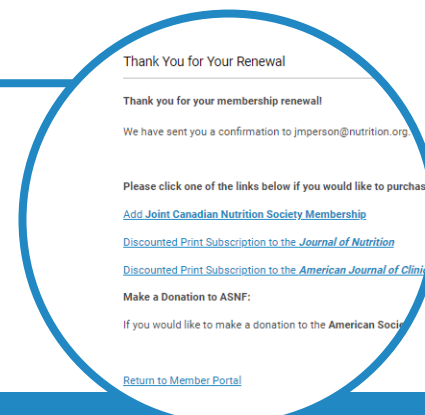

Once logged into your member portal, click on the blue "Renew" quick link to the right (on computers) or the bottom (on mobile devices) of the page. You will then be directed to choose your renewal form based on your country of residence.

Fill your information as directed by the form. Click the "next" button at the bottom of each section to continue through the form. At any step, you are welcome to contact us at **mem@nutrition.org** or (240) 428-3619 for assistance.

Once your payment has been accepted, you will be directed to a confirmation webpage and a confirmation message and a copy of your transaction will be sent to your registered ASN membership email. Your ASN membership is now renewed!

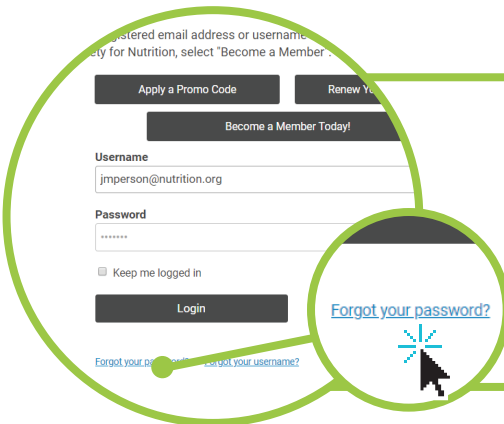

Need assistance? Please contact us at **mem@nutrition.org** or call us at **(240) 428-3619**

ASN Journals are Digital!

Did you know that ASN Members have access to all ASN Journals online, anytime and anywhere, through Oxford University Press (OUP)? To begin reading ASN Journals, you must authenticate, or communicate with OUP, your status as an ASN Member. To do so, please follow the directions, below.

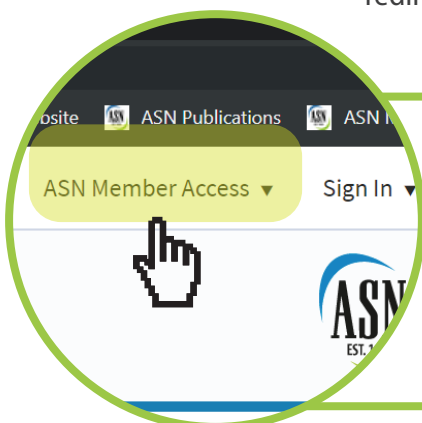

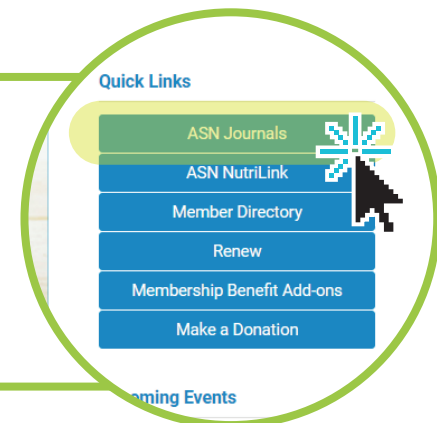

In your preferred internet browser, navigate to the top bar where you may enter web addresses. Type the following web address exactly as shown: **<https://signin.nutrition.org>**

Enter your ASN Membership credentials in the "Username" and "Password" fields and click the gray "Login" button.

Forgot your password? Simply click the "Forgot your password?" link under the login form. You may also email us at **mem@nutrition.org**.

Once logged into your member portal, click on the blue "ASN Journals" quick link to the right (on computers) or the bottom (on mobile devices) of the page. You will then be redirected to ASN Journals at OUP.

Once you see "ASN Member Access" on the top-right corner of the OUP webpage, you have been successfully authenticated as an ASN Member and you may begin to read the full-text of ASN Journal articles!

Additionally, a green "unlocked" lock icon will appear next to all articles when you have been successfully authenticated. Please note that you will need to authenticate your ASN Membership every time you need to access ASN Journals online.
