## A Special Care Environment

As the region's pediatric care leader, Nicklaus Children's Hospital is proud to offer a care environment that puts the child and family first. The Advanced Pediatric Care Pavilion houses the hospital's three intensive care units as well as several specialty units. Each offers a care setting that supports the delivery of the compassionate care that is our hallmark. Highlights include the latest technology, family-centered rooms, play spaces, family lounges and outdoor gardens that contribute to the healing process.

## Additional Departments and Services

- ▶ **Healthy Humor Red Nose Docs:** Carefully selected professional performers, trained to work in a sensitive hospital environment, bring laughter and joy to the bedsides of acutely and chronically ill children.
- ▶ **Children's Experiences Department:** Helps both child and family understand medical procedures to reduce stress and fear of the unknown.
- ▶ **Michael Fux Family Center:** Located on the first floor of the central building, the Michael Fux Family Center is exclusively dedicated to supporting all of our patients, families and visitors. It offers conveniences, including a kitchen, library, business center, internet cafe, movie theater, laundry, showers and more.
- ▶ **Nicklaus Children's Hospital Foundation:** With the generous support of people like you and our commitment to amazing patient care, Nicklaus Children's Hospital sends a quarter million children home healthier and happier every year. Nicklaus Children's relies on donations and community support for kids whose care may not be fully covered. This support is life-changing, with gifts directly providing assistance to patients or funding hospital priorities, from cutting-edge technologies and treatments to upgrades that make our spaces comfortable and inviting for families. To learn more and make a gift, please visit [give.nicklauschildrens.org](https://give.nicklauschildrens.org) or call **1-800-987-8701**.

Together, we can create a healthy future for every child.

- ▶ **Nicklaus Children's Research Institute:** Coordinates clinical and laboratory testing of new and potential innovations in pediatric medicine.
- ▶ **The Miguel "Mike" B. Fernandez Family Pediatric Trauma Center:** Nicklaus Children's Hospital is the only free-standing pediatric trauma center in South Florida.
