

A Better Kind of Local PharmacySM

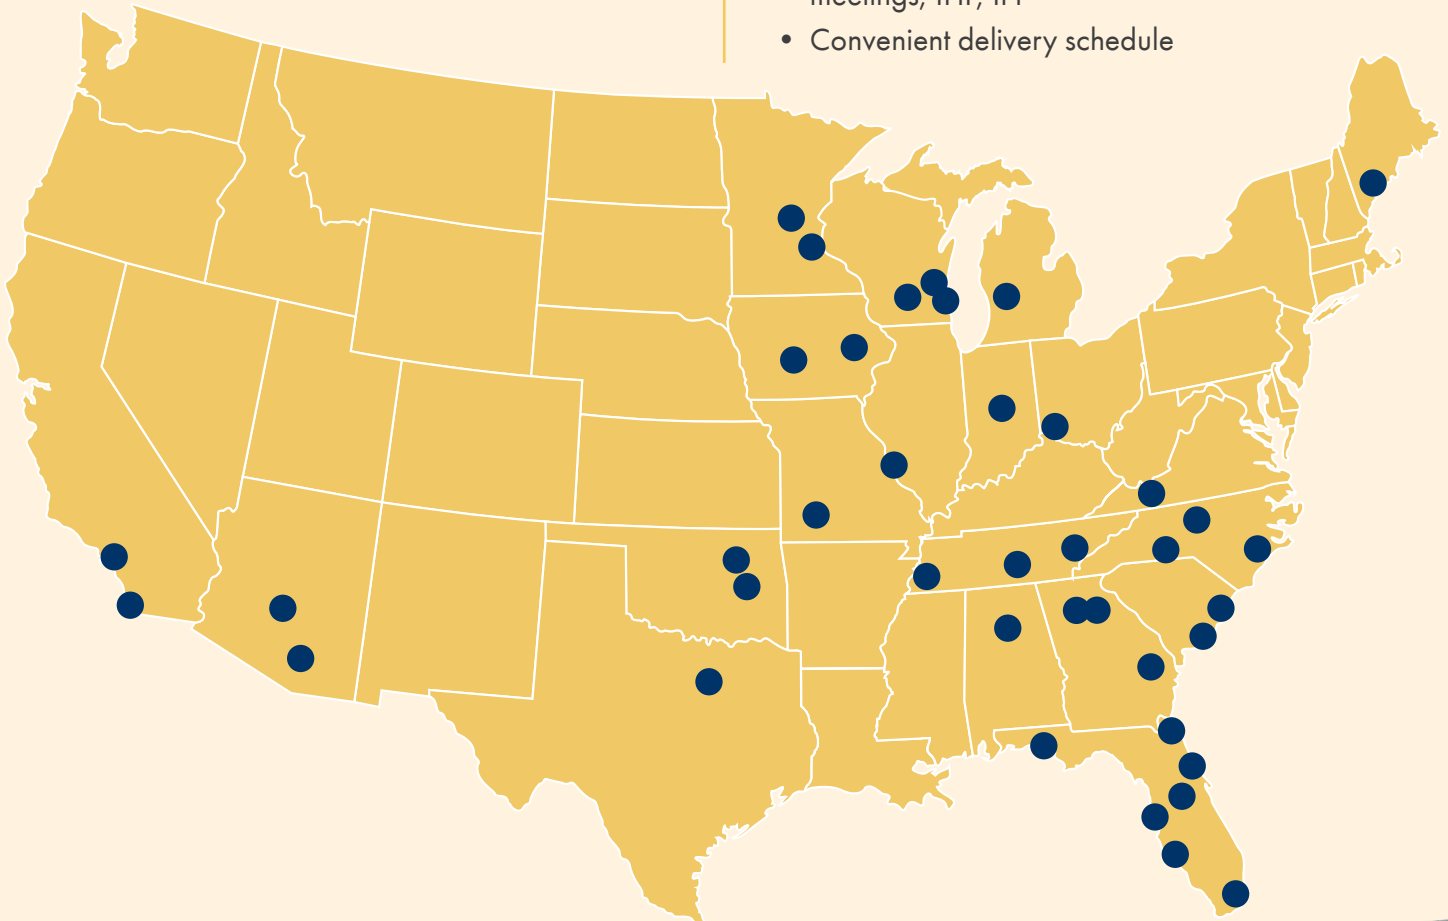

Specialists in providing pharmaceutical services to intellectual and developmentally disabled individuals.

At Guardian Pharmacy Services, our business philosophy is to partner with you to provide enhanced pharmacy care for your clients. By thoughtfully listening to our customers, our goal is to develop innovative and collaborative solutions to meet your community needs.

We always go above and beyond to take the complexity of pharmacy off of your staffs' shoulders, so you can spend more quality time providing direct care to your clients.

WE OFFER:

- Flexible and adaptable service to fit your needs
- Specialized medication packaging for safe and reliable dispensing of medications
- Color coded physicians orders or paper MARs with resident and medication photos
- Integrated eMAR solutions
- Dedicated account representative
- Local billing team
- Virtual and on-site in-services for your staff
- Integrated clinical teams to assist in IDT team meetings, IHP, IPP
- Convenient delivery schedule
