

# How ASPEN Can Help You Advance Your Research and Career

ASPEN, the American Society for Parenteral and Enteral Nutrition, has many research initiatives available to help promote and advance your work. We also provide you the opportunity to network with and learn from leaders in clinical nutrition and metabolism.

## SPOTLIGHT YOUR RESEARCH

ASPEN Nutrition Science & Practice  
Conference, March 26 – 29, 2022,  
Seattle, WA and Virtual

Contribute to the cutting-edge research initiatives presented at the ASPEN 2022 Nutrition Science & Practice Conference by submitting an abstract.

**Abstract submission opens July 1, 2021. Visit [nutritioncare.org/abstracts](https://nutritioncare.org/abstracts) to submit.**

- Each year, more than 300 abstracts are submitted with a 90% acceptance rate. The highest rated abstracts are selected for oral presentations. Others will be highlighted in workshops or poster exchanges. Your research will be viewed by an interdisciplinary audience of 2000+ clinicians from around the world.
- All abstracts are published in ASPEN's premier *Journal of Parenteral and Enteral Nutrition (JPEN)*.
- Multiple research awards are available, including: The Harry M. Vars Award, Promising Investigator

Award, Research Trainee Awards, Best of the ASPEN Nutrition Science & Practice Conference Awards, International Abstract Research Awards, Research Workshop Travel Awards, and Abstracts of Distinction.

Also join us for our 2022 Research Workshop: *Probiotics: Are We Ready for Them?* It's held just prior to the start of the conference. **Register at [nutritioncare.org/conference](https://nutritioncare.org/conference) in mid-October.**

## GET FUNDING FOR YOUR RESEARCH

The ASPEN Rhoads Research Foundation funds exceptional scientific research projects submitted by early-career investigators of clinical nutrition and metabolic support in alignment with the priorities outlined in the ASPEN Research Agenda.

Visit [nutritioncare.org/annualgrants](https://nutritioncare.org/annualgrants) to apply for **2022 grants. Application deadline is June 16, 2021.**

## KEEP UP TO DATE WITH CLINICAL NUTRITION

Educational Resources, Toolkits, Clinical Practice Updates, Publications and More

- Discover the latest research findings in ASPEN's peer-reviewed journals, *Journal of Parenteral and Enteral Nutrition (JPEN)* and *Nutrition in Clinical Practice (NCP)*. Visit [nutritioncare.org/publications](http://nutritioncare.org/publications).
- Members gain access to clinical guidelines, safety checklists, recommendations, standards, and more.
- *Coming Soon!* ASPEN Clinical App with calculators for tube feeding, energy expenditure, nitrogen balance, and more.
- *Coming Soon!* The ASPEN Research Toolkit covers eight essential topics and aims to provide you with a starting point for developing your own projects and the confidence to move your research forward.
- Visit the ASPEN eLearning Center to access online tutorials, courses, training programs, self-assessment programs, lectures, and more. Visit [nutritioncare.org/elearning](http://nutritioncare.org/elearning).

## BECOME AN ASPEN MEMBER

Join nearly 6,000 members of ASPEN to have up-to-date access to valuable

resources and knowledge. Members receive benefits including:

- Subscriptions to ASPEN's highly regarded journals, *Journal of Parenteral and Enteral Nutrition* and *Nutrition in Clinical Practice*.
- Membership in practice and specialty sections, including the Research Section, where you can increase professional knowledge.
- Additional networking through Member Connect, an online platform, and Chapter events.
- Discounted rates on many items, including ASPEN's annual Nutrition Science & Practice Conference, webinars and more.

To join, visit [nutritioncare.org/membership](http://nutritioncare.org/membership).

## ABOUT ASPEN

ASPEN, the American Society for Parenteral and Enteral Nutrition, is dedicated to improving patient care by advancing the science and practice of clinical nutrition and metabolism. Founded in 1976, ASPEN is an interdisciplinary organization whose members are involved in the provision of clinical nutrition therapies, including parenteral and enteral nutrition. With more than 6,000 members from around the world, ASPEN is a community of dietitians, nurses, nurse practitioners, pharmacists, physicians, scientists, students and other health professionals from every facet of nutrition support clinical practice, research and education.
