Who is Perrigo?

Perrigo Company plc is dedicated to making lives better by bringing “Quality, Affordable Self-Care Products™” that consumers trust everywhere they are sold. The Company is a leading provider of over-the-counter (“OTC”) health and wellness solutions that enhance individual well-being by empowering consumers to proactively prevent or treat conditions that can be self-managed.

Beginning in 1887, Perrigo has built a unique business model that today delivers affordable and reliable solutions to prevent and treat self-managed conditions. Robust research and development (R&D) capabilities set us apart; we are best described as a consumer goods company, a high-quality pharmaceutical manufacturing organization, and a world-class supply chain network. Perrigo is the world’s largest manufacturer of OTC self-care products and supplier of infant formulas for the store-brand market.

Our vision is to make lives better by bringing Quality, Affordable Self-Care Products™ that consumers trust everywhere they are sold.

About Store Brand Infant Formula

Perrigo is the trusted name behind store brand infant formulas. For more than 20 years, store brand formulas have been trusted by pediatricians, parents and caregivers, and leading retailers, including Walmart, Sam’s Club, Costco, and Target. These stores sell store brand formulas under their own labels to moms and dads across the country.

Today, Perrigo produces a variety of routine and specialty formulas to meet the needs of infants. These include milk-based, soy-based, partially hydrolyzed, reduced lactose, and added rice infant formulas.

Perrigo takes a scientific, evidence-based approach to product development. That’s why our formulas contain the latest innovations in infant nutrition. These include nutrients found in breast milk: DHA, ARA, choline, lutein, nucleotides, prebiotics and probiotics, and 2’-FL HMO.

Just like their name-brand counterparts, store brand formulas provide complete nutrition needed for growth and development. Our powder infant formulas are

manufactured in FDA-inspected facilities in Vermont and Ohio, U.S.A. Our dairy ingredients are sourced from leading dairy markets, including the United States, Canada, and New Zealand. **Like all infant formulas sold in the United States, store brand formulas are clinically¹ studied and meet the same FDA standards.**

Why Store Brand Infant Formula is the Right Solution for Many Families

Infant formula can be very expensive. During the last four years alone, name-brand prices have risen by 6%, which means it can cost families more than \$1,700 each year² to feed their new baby. All infant formulas sold in the United States must meet the same FDA standards. This means big-name advertised brands and store brands must offer complete nutrition for growth and development so a baby can thrive. Perrigo provides affordable, complete nutrition for all babies. By educating parents about store brand infant formula, pediatricians like you can help moms and dads save up to 50% compared to the nationally advertised brands, without compromising nutrition.

Educate Parents So Your Precious Patients Get the Nutrition They Need to Thrive

Breastfeeding is best for babies. There's no question. Infant formula is the only safe alternative, and most moms use formula at some point to feed their baby. Pediatricians report that parents are making unsafe infant-feeding choices to save money. They also readily acknowledge that families are sensitive to the high price of infant formula. Many parents don't realize that infant formula is strictly regulated, so even though "generic" brands are less expensive, they still provide the same nutrition that babies need to grow and develop. Store brand formula can help save your patients money.

Your families get a 9 day supply for free, after rebate!³

While we don't have reps and free samples, we do offer in-office rebates (up to \$20) making it easy for families to try store brand formula for free. To learn more and request a rebate kit to help your patients try it for free, visit PerrigoPediatrics.com

¹Studied before the addition of prebiotics, lutein & HMO.

²Calculations based on February 2020 IRI Market Advantage annual retail sales data of national brand infant formula powder compared to store brand infant formula powder cost per week based on an average weekly usage of 1.5 pounds of powder.

³Reflects an average consumption of 26 fl. oz. per day in the first year. Pricing, reconstitution and infant formula consumption may vary. Based on IRI Market Advantage sales data, February 2020.

INDICATION

Store Brand Tender® infant formula is a milk-based, iron-fortified formula modeled after breastmilk with complete nutrition for growth and development. It is made with 100% partially broken down whey protein, making it easier to digest.

PRODUCT FEATURES

- DHA and Choline
- Galactooligosaccharide (GOS) to help support immune health
- Modeled after the complete nutrition of breast milk
- Nutrient density of 20kcal/oz
- Protein is 100% partially hydrolyzed whey

COMPOSITION

LACTOSE, PARTIALLY HYDROLYZED WHEY PROTEIN, MALTODEXTRIN, PALM OLEIN, SOY OIL, COCONUT OIL, HIGH OLEIC (SAFFLOWER OR SUNFLOWER) OIL, GALACTO-OLIGOSACCHARIDES (GOS)[†], **LESS THAN 2%:** MORTIERELLA ALPINA OIL[‡], CRYPTHECODINIUM COHNII OIL[‡], L-CARNITINE, MIXED TOCOPHEROL CONCENTRATE, MONOGLYCERIDES, SOY LECITHIN, TAURINE, ASCORBYL PALMITATE, NUCLEOTIDES (ADENOSINE-5'-MONOPHOSPHATE, CYTIDINE-5'-MONOPHOSPHATE, DISODIUM GUANOSINE-5'-MONOPHOSPHATE, DISODIUM URIDINE-5'-MONOPHOSPHATE), CALCIUM CARBONATE, CALCIUM CHLORIDE, CALCIUM HYDROXIDE, CUPRIC SULFATE, FERROUS SULFATE, MAGNESIUM CHLORIDE, MANGANESE SULFATE, POTASSIUM BICARBONATE, POTASSIUM HYDROXIDE, POTASSIUM IODIDE, POTASSIUM PHOSPHATE, SODIUM CITRATE, SODIUM SELENITE, ZINC SULFATE, ASCORBIC ACID, BETA-CAROTENE, BIOTIN, CALCIUM PANTOTHENATE, CHOLINE BITARTRATE, CYANOCOBALAMIN, FOLIC ACID, INOSITOL, NIACINAMIDE, PYRIDOXINE HYDROCHLORIDE, RIBOFLAVIN, THIAMINE HYDROCHLORIDE, VITAMIN A PALMITATE, VITAMIN D (CHOLECALCIFEROL), VITAMIN E (DI-ALPHA TOCOPHERYL ACETATE), VITAMIN K (PHYTONADIONE). **CONTAINS MILK AND SOY INGREDIENTS.**

INDICATION

Store Brand Added Rice infant formula is a thickened, milk-based, iron-fortified formula designed to reduce frequent spit-up and volume of regurgitation. It provides complete nutrition, supports growth and development, and meets the guidance of the American Academy of Pediatrics for reflux reduction.²

PRODUCT FEATURES

- DHA and Choline
- With dual prebiotics galactooligosaccharide (GOS) and fructooligosaccharide (FOS)
- More nutritionally balanced than adding rice cereal to formula
- Nutrient density of 20kcal/oz
- Protein is 20:80 whey-to-casein ratio

COMPOSITION

NONFAT MILK, VEGETABLE OILS (PALM OLEIN, SOY, COCONUT, AND HIGH OLEIC (SAFFLOWER OR SUNFLOWER) OIL), RICE STARCH, MALTODEXTRIN, LACTOSE, GALACTOOLIGOSACCHARIDES¹, **LESS THAN 1%: MORTIERELLA ALPINA OIL⁴, CRYPTHECODINIUM COHNII OIL⁵, FRUCTOOLIGOSACCHARIDES¹, VITAMIN A PALMITATE, VITAMIN D (CHOLECALCIFEROL), VITAMIN E (dl-ALPHA TOCOPHERYL ACETATE), VITAMIN K (PHYTONADIONE), THIAMINE HYDROCHLORIDE, RIBOFLAVIN, PYRIDOXINE HYDROCHLORIDE, CYANOCOBALAMIN, NIACINAMIDE, FOLIC ACID, CALCIUM PANTOTHENATE, BIOTIN, ASCORBIC ACID, CHOLINE BITARTRATE, INOSITOL, FERROUS SULFATE, ZINC SULFATE, MANGANESE SULFATE, CUPRIC SULFATE, SODIUM SELENITE, SODIUM CITRATE, POTASSIUM HYDROXIDE, TAURINE, L-CARNITINE, POTASSIUM BICARBONATE, MIXED TOCOPHEROLS, SOY LECITHIN, MONOGLYCERIDES, CALCIUM CARBONATE, CALCIUM CHLORIDE, ASCORBYL PALMITATE, BETA-CAROTENE. **CONTAINS MILK AND SOY INGREDIENTS.****

¹A type of prebiotic

²A source of arachidonic acid (ARA)

³A source of docosahexaenoic acid (DHA)

INDICATION

Nutritionally complete, non-GMO[†], infant formula for mild tolerance symptoms such as fussiness and gas. Made with partially hydrolyzed whey protein, as an alternative to routine intact-protein, milk-based formulas. Store brand Complete[®] Comfort contains no artificial growth hormones and includes key ingredients found in breastmilk, like Vitamin E and Lutein for eye development, DHA for brain development and prebiotic 2'-FL HMO to support immunity.

PRODUCT FEATURES

- Complete nutrition for delicate tummies
- Nutrient density of 20kcal/oz
- Easy to digest, 100% partially hydrolyzed whey protein
- Less than 2% lactose
- 2'-FL HMO, a prebiotic commonly found in breast milk, for immune support
- DHA is an essential fatty acid that occurs naturally in mother's milk and supports baby's developing brain.
- No Palm oil

COMPOSITION

CORN MALTODEXTRIN, PARTIALLY HYDROLYZED WHEY PROTEIN, HIGH OLEIC (SAFFLOWER OR SUNFLOWER) OIL, SOY OIL, COCONUT OIL, **LESS THAN 2%: CRYPTHECODINIUM COHNII OIL[†], MORTIERELLA ALPINA OIL[†], FRUCTOOLIGOSACCHARIDES (FOS), 2-FUCOSYLLACTOSE (2-FL)[‡], BETA-CAROTENE, LUTEIN, POTASSIUM PHOSPHATE, CALCIUM CHLORIDE, POTASSIUM BICARBONATE, MAGNESIUM CHLORIDE, ASCORBIC ACID, SOY LECITHIN, MONOGLYCERIDES, SODIUM CITRATE, CALCIUM HYDROXIDE, FERROUS SULFATE, CHOLINE BITARTRATE, TAURINE, INOSITOL, ZINC SULFATE, ASCORBYL PALMITATE, L-CARNITINE, NIACINAMIDE, MIXED TOCOPHEROL CONCENTRATE, VITAMIN E (d-ALPHA TOCOPHERYL ACETATE), CALCIUM PANTOTHENATE, CUPRIC SULFATE, THIAMINE HYDROCHLORIDE, VITAMIN A PALMITATE, RIBOFLAVIN, PYRIDOXINE HYDROCHLORIDE, FOLIC ACID, MANGANESE SULFATE, VITAMIN K (PHYTONADIONE), POTASSIUM IODIDE, BIOTIN, SODIUM SELENITE, VITAMIN D (CHOLECALCIFEROL), CYANOCOBALAMIN, POTASSIUM HYDROXIDE, NUCLEOTIDES (ADENOSINE-5'-MONOPHOSPHATE, CYTIDINE-5'-MONOPHOSPHATE, DISODIUM GUANOSINE-5'-MONOPHOSPHATE, DISODIUM URIDINE-5'-MONOPHOSPHATE). **CONTAINS MILK AND SOY.****

[†]A prebiotic similar to that found in breast milk (2'-FL)

[‡]A source of arachidonic acid (ARA)

^{**}A source of docosahexaenoic acid (DHA)

[†]Pricing reflects Perrigo's 2019 suggested retail price for a 22.5 ounces container of Complete[®] Comfort Store Brand Infant Formula compared to pricing for Similac Pro-Total Comfort[®] infant formula in the 22.5 ounces container based on IRI annual retail sales for Similac Pro-Total Comfort[®] infant formula as of February 2020.

This product is not manufactured or distributed by the owner of the registered trademark Similac Pro-Total Comfort[®]. Store Brand Complete[®] Comfort Infant Formula does not contain the identical proprietary ingredient blend of prebiotics, patented levels of nucleotides, lutein and lycopene in Similac Pro-Total Comfort[®]. Complete[®] is a registered trademark of PBM Products, LLC.

[†]Ingredients not genetically engineered.

See Product Label for full disclaimers (J05).
