

Check out Read. Listen.

In 1 Easy-to-Use App

Manage, circulate and promote your digital collections more efficiently than ever before. Whitehots is partnered with Axis 360 to be your digital library solution.

Your Library On-the-Go

With more than a million eBooks and digital audiobooks to choose from, your library makes titles available across computers, laptops, tablets and smartphones.

Listen Up!

Listen to your favorite eAudiobooks directly within the Axis 360 app! A variety of playback controls puts you in charge of your audio content.

Easy Set-up

Full integration with your library's ILS and Discovery Layer.
