

CONTRACT TRAINING 2021-22 CATALOG

Host a Training at Your Facility

Why host a fee-based training with NCJTC?

**Protect your community.**

An opportunity to access national subject matter experts who will present current and in-demand training topics in your community.

**Protect your budget.**

Earn free seats for your agency when minimum enrollment for the course is met.

**Protect your time.**

The National Criminal Justice Center (NCJTC) staff handles all logistical matters related to the program.

What is required of a host agency?

- Provide a training venue that can comfortably hold up to 50 participants
- Ensure a training site is within proximity to lodging and a regional airport
- Agree to assist with the promotion and marketing of the training to ensure success

How do I partner with NCJTC?

A variety of options are available to you when you work with us:

- Host any of our current course offerings available at www.NCJTC.org/ContractWithUs
- Develop and host a custom training to address a specialized need in your organization or community

ABOUT NCJTC

At the National Criminal Justice Training Center (NCJTC) of Fox Valley Technical College, it's our mission to equip criminal justice professionals with the right training and tools to affect lasting and meaningful change in their communities. As a leading national training organization, we deliver high-quality innovative training, expert instruction, and technical assistance

solutions for combating prevailing public safety and community challenges.

For more than 25 years, our mission has been to provide criminal justice professionals with training and technical assistance to enhance public safety and improve the quality of life in their communities.

NCJTC leverages the experience and expertise of subject matter experts to address safety concerns, strengthen criminal justice system responses, and promote collaboration. We are proud to have served hundreds of thousands of federal, state, and local criminal justice professionals in every state and US territory, as well as tribal partners from more than 200 tribes nationwide.

Training Opportunities

Beyond Google: Discovering Online Resources in Investigations

2 Day | \$395 per person

Examine open source online intelligence and learn how to leverage free platforms, databases, and web applications to strengthen criminal cases. Uncover little known facts and techniques to optimize results using search engines and online resources, to support your investigations and prosecutions. Learn how to complete and serve search warrants for a variety of electronic information and databases to further all types of investigations. Develop new skill sets to establish contacts and open source networks to provide ongoing criminal and threat intelligence in your jurisdiction.

Casting the Digital Footprint

2 Day | \$295 per person

Technology impacts almost every type of investigation today. Uncover the information technology users knowingly and unknowingly leave behind when accessing and using electronic devices. Learn how to covert-

ly strengthen your investigations through gathering personal, public and open source data. Discuss techniques to locate evidence through technologies that can benefit any type of investigation.

Child Homicide Investigations

2 Day | \$395 per person

Designed with collective experience from 500+ homicide cases. Understand and build relationships between the forensic pathologist, homicide investigator, and prosecutor to successfully investigate and prosecute child homicide cases. Learn autopsy protocols, forensic essentials, the criticality of determining the cause and manner of death, interviewing and interrogation, and the role of the prosecutor in gaining appropriate convictions.

Community Approaches to Sex Offender Management

2 Day | \$395 per person

Combat recidivism and sexual violence posed by sex offenders based on management and treatment best-practices. Learn how treatment, supervision, law enforce-

ment, and the community at large can increase the offender's chances of a pro-social non-offending lifestyle. Explore response strategies for adults and juveniles who commit sexual offenses.

Criminal Connections: Child Pornography and Child Sexual Abuse

2 Day | \$395 per person

Review current national and international trends in child pornography. Apply investigative strategies to cases involving the possession of child pornography and gain understanding of how possession cases relate to contact offenses.

Current Drug Trends

2 Day | \$195 per person

Gain an understanding of the stages of use, addiction, and withdrawal symptoms of using drugs. Discuss common delivery systems and observe examples of emerging drugs in various forms. Learn how to recognize the signs and symptoms of drug usage, as well as how Naloxone/Narcan works in cases of opioid overdoses.

Enhancing Investigations through Genetic Genealogy

2 Day | \$295 per person

Explore and discuss the application of Forensic Genetic Genealogy (FGG) and how it aids in investigations. Techniques instructed include tips in using genealogy to help establish the identities of cold case suspects and assist with identifying human remains. Instruction is provided by experienced investigators who have gained expert knowledge in the application of FGG through real-life cases. Discuss topics including FGG techniques, investigative strategies for developing leads and information, as well as working with private labs and other related resources.

Fire and Explosion Related Death Investigations

2 Day | \$295 per person

Join other investigators to gather new information and tools for investigating fire and explosion related deaths. Examine the principles of fire behaviors, areas of focus in fire related deaths, working with the medical examiner's office and evidence/scene safety considerations.

Improving Youth Interactions through Fair and Impartial Justice

2 Day | \$295 per person

Built on evidence-based principles, this training supports law enforcement to foster strong community relationships, enhance interactions with youth, and create effective interventions to divert at-risk and minority youth from the justice system. Improving procedural justice efforts in the juvenile justice system offers an unmatched return-on-investment for law enforcement agencies.

Investigating and Prosecuting No Body Homicides

2 Day | \$395 per person

Gather the investigative tools needed to build a prosecutable homicide case and take it to trial without a body being recovered. Explore why missing persons' cases should be investigated as homicides, until discovered otherwise.

Investigation and Prosecution of Cold Case Homicides

2 Day | \$395 per person

Improve investigative techniques and prosecutorial efforts needed to successfully decipher unresolved and cold cases. Explore essential investigative, forensic and prosecution methodologies through the dissec-

tion of actual cases, best practice examples, interactive discussions, and contemporary resources. Learn proven strategies to avoid complications that are detrimental to the prosecution of cold cases. Discuss practices relevant to the establishment and maintenance of an efficient cold case unit.

Managing the Media Message: Your Agency's Story and How You Tell It

2 Day | \$195 per person

Law enforcement agencies have faced major public and media scrutiny in how public safety situations are managed in their communities. Building strong relationships with key supporters and the media BEFORE a crisis occurs will open lines of communication during adverse situations. Learn how agencies can best tell their story, from building positive messaging, crisis communications, or providing continuity of operations following an incident.

Mobile Device Investigations

3 Day | \$395 per person

Learn current mobile phone related strategies and techniques for any type of investigation. Explore and apply practices for working with cellular network providers, completing technology-focused search warrants, analyzing cellular provider call data, associating reported data to the investigation and effective case reporting strategies.

NCJTC Death Investigation Academy

5 Days | \$595 per person

Explore strategies for conducting death investigations under several origins. Learn how to evaluate the crime scenes, conduct effective interviews and interrogations, develop case leads, utilize investigative resources (crime laboratories, medical examiners), and comprehend medical autopsies.

NCJTC Sexual Assault Academy

5 Days | \$595 per person

Explore strategies for conducting comprehensive sexual assault investigations. Learn how to support victims, gather and maintain evidence, manage crime scenes, conduct effective interviews and interrogations, utilize investigative resources (SANE nurses and support services), and prepare cases for prosecution.

Organizational Resiliency Starts with You!

2 Day | \$295 per person

Discover the relationship between self-care and organizational resilience. Organizational resiliency promotes an inclusive work environment, strengthens employee retention,

and improves workplace satisfaction. Gain strategies to understand, assess and support work culture and morale. Explore how ethical leadership influences a resilient culture and how a focus on self-care impacts organizational effectiveness.

Protecting Children in a Digital Age

1 Day | \$195 per person

Explore the risk technology poses to youth and the need for increased awareness and understanding of the opportunities to protect children. Learn about gathering valuable evidence to mitigate the threats posed by individuals who seek to exploit them.

Psychology of School Threat Assessments

2 Day | \$295 per person

Examine the psychological and behavioral aspects of threat assessment and management. Explore normal versus abnormal child and adolescent behaviors, red-flags, why threats are made, and how threats can be managed along a pathway toward violence (both short and long-term) to ensure personnel safety. Review solutions to common problems in school threat assessments. Learn multidisciplinary threat assessment and management strategies.

Reimagine Policing: Strategies for Building Community Relationships that Last

2 Days | \$195 per person

Gain insight and strategies to maximize how police agencies can connect with their community and stakeholders through dialog and partnerships. Consider minority perceptions of policing due to historical events and ways to overcome these barriers. Discover strategies for creating a "learning organizational culture" while appreciating the fragile relationship with our communities. A focus will be on the importance of police legitimacy through ethics, empathy and equity.

Sexual Offenses: Mind & Motivation

2 Days | \$295 per person

Gain an introduction into the psychology, or mindset, of those that commit sexually motivated crimes. Learn about sex offender typologies and patterns of behavior. Explore the relationship between paraphilia and criminal acts. Review and dissect real case examples to gain insight into offender modus operandi. Knowledge obtained can be applied during interview and interrogation to help resolve sexually motivated cases.

Strategies for Instructional Excellence

3 Days | \$395 per person

Develop and enhance the skills of the 21st Century criminal justice instructor. Examine how adults learn and explore effective instructional methods. Develop a structured learning plan, apply adult-learning techniques, utilize instructional technology, evaluate learner retention strategies, and the legal implication of instruction.

Students First! Making an A+ Impact

1 Day | \$195 per person

Transform your instructional approach to training! Learn how to demonstrate and apply techniques to maximize your instructional effectiveness. New and even senior instructors are confronted with evolving instructional challenges and requirements; explore a variety of solutions to meet these challenges. Prepare for a student-focused immersion into the art and science of instructional excellence.

Suspicious Death Investigations

2 Days | \$295 per person

Examine case studies based on the experience of a homicide detective and forensic pathologist. Identify key scene findings and correlate findings to the autopsy results. Analyze communication methods between the investigating agencies and the medical examiner's office. Learn how unique case findings can affect the investigation. Discuss case resolutions and lessons learned.

Verbal De-Escalation & Conflict Resolution

1 Day | \$195 per person

The ability to organize your thinking and calmly respond can help you avoid a potential crisis. Every year, around 1000 people are shot and killed by police. Five hundred of them wielded a gun while the rest of them held knives, toy weapons, or no weapons at all. Learn how de-escalation communication skills can defuse those situations and lead to more successful resolutions.

What Are They Running From? Youth Trauma & Adverse Childhood Experiences

2 Days | \$295 per person

Discuss why juveniles runaway and dangers that apply to youth during this time. Explore strategies to interrupt chronic runaway behavior, while providing a tool to help assess and document runaway reasons, behaviors, and intervention options. Consider trauma that can occur during runaway events and approaching youth during traumatic events.
