Membership Categories and Dues

☐

Directing Member — \$6,500

Open to those manufacturers of Rolled Erosion Control Products (RECPs), Hydraulic Erosion Control Products (HECPs), Sediment Retention Fiber Rolls (SRFRs), and a manufacturer or provider of other erosion control product technologies or product components and accessories, testing labs and distributors may become directing members. Voting rights on all association issues.

☐

Associate Directing Member — \$4500 annually

Manufacturers or providers of other erosion control product technologies (other than RECPs, HECPs, or SRFRs, or product components and accessories), testing labs, and distributors may become an Associate Directing Member.

☐

General Member — \$500 annually

Representative agencies of erosion control products, contracting and engineering firms, and government agencies that do not manufacture any erosion control products may become General Members of ECTC upon payment of annual dues.

☐

Individual Supporting Member — \$150 annually

Any individual person having an interest in the erosion control industry such as contractors, educators, consultants and peripheral industry members. The membership dues are \$150 and are pro-rated based on a calendar year.

Please remit dues to: Erosion Control Technology Council, PO Box 14354, Madison, WI 53708 USA

☐

Check here if you need an invoice to process payment for membership. Payment in US dollars only.
