CARRIE-ANN LUKAS-BRADY

We are honored to be an exhibitor this year and to be part of the world's largest veterinary specialty organization. It is exciting to come together at the ACVIM Forum to meet everyone and hear the latest developments in veterinary specialty medicine over the course of the conference. The competition for recruiting specialists has increased, we know you have plenty of options. We are out to change the world and ready to prove it to you! We are not just Bending the Arc of Veterinary Medicine, but also the Arc of our team and our culture. We believe in the Unlimited Potential within all of us. We transform our people into the best versions of themselves. We invite you to stop by our booth (#845) and get inspired.
