

Externships For U!

Great experiences
for 3rd and 4th year
vet school students!

United Veterinary Care is delighted to host veterinary students for externships! This valuable clinical experience will let you take what you've learned in the classroom and put it to the test in an animal hospital of your choice.

Externship Program Highlights

Real World Practice

Hands-on experience designed for vet students in their clinical years.

Customized Experience

Our amazing hospitals are ready to create a unique experience tailored to you.

Paid Externship / Stipend

We're proud to offer generous stipends to make your next externship experience accessible.

What to Expect

We want to learn about your professional goals for your externship experience! You can indicate your top priorities in your application, so we can tailor the experience to meet your needs. During your externship, you can expect to be included in:
