

Embrace your future with confidence

At Encore Vet Group, our values are centered around our people. We invest in our practice teams through professional development, competitive benefits, and a supportive community that allow you to thrive in both your career and personal life. When you become a part of Encore, you not only enjoy the resources we offer; you benefit from the collective knowledge of our partner hospitals who are all committed to improving the veterinary profession — and helping you succeed.

We Grow Leaders

At the Encore Performance Academy, we offer leadership and professional education courses designed to grow leaders and build stronger practices from the inside out. Throughout your training with Encore, you'll brainstorm with fellow practice leaders, troubleshoot problems as a group, and participate in unique roleplays to put what you've learned into practice.
