

# Epic Summer Plans For U!

**Summer Associate  
Positions Available for  
1st to 3rd Year Students**

United Veterinary Care is excited to offer Veterinary Student Summer Associate positions at many of our hospitals for Summer 2022. These opportunities are ideal for enthusiastic veterinary students that are eager to gain additional hands-on clinical experience.

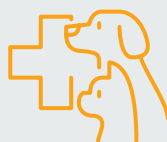

We are looking for veterinary students with at least 8 weeks of time available this summer to join the skilled teams at our hospitals. So, if you are a student in your first to third year of school at an AVMA-accredited veterinary school, please join us for an epic summer!

## What You Can Expect

Our Veterinary Student Summer Associate roles offer the best of both worlds - paid work experience and an opportunity to enhance your clinical knowledge. In this role you will perform work comparable to a veterinary assistant and will participate in:

**Case Discussions and  
Clinical Rounds**

**Participate/shadow in  
procedures or surgeries**

**Work on your  
professional goals**

## Top Reasons to Join UVC's Student Summer Program

1. Improve your technical skills through hands-on experience with skilled veterinarians.
2. Expand your clinical knowledge through case-based learning.
3. Professional development opportunities, including an optional career path consultation and resume review session with our University Liaison.
4. Get paid while you work, learn and grow.
